**PEDIATRIC & ADOLESCENT MEDICINE FOR PRIMARY CARE:
DERMATOLOGY/NEUROLOGY/SPORTS MEDICINE**

**San Antonio, Texas – Hilton Palacio del Rio
November 6 – 8, 2020**

Friday, November 6th:

7:00 am – 7:30 am

Registration and Hot Breakfast

7:30 am – 8:30 am – Neurology

Movement Disorders in Children

Cerebral palsy (CP); Tics, tremors, chorea/ballismus, dystonia; Sydenham chorea

8:30 am – 9:30 am – Neurology

Diagnosis of Pediatric Seizures and Epilepsy

Identification and recognition of common seizure types; Differentiation between seizures and pseudoseizures; Diagnostic approaches to seizures and epilepsy

9:30 am – 9:40 am

Coffee Break

9:40 am – 10:40 am – Neurology

A Primary Care Approach to Treatment of Pediatric Epilepsy

First line seizure medications; The role of diet; Surgical alternatives; Medical marijuana in the pediatric patient

10:40 am – 11:40 am – Sports Medicine

The Pre-Participation Sports Physical

The American Academy of Pediatrics, in conjunction with the American Academy of Family Physicians and American Medical Society for Sports Medicine published the 1st edition of the Preparticipation Sports Physical Examination monograph nearly 30 years ago. Currently in its 4th edition, the monograph contains the most recent evidence and consensus-based recommendations pertaining to the history, physical exam and clearance to play guidelines for practitioners caring for active youth.

11:40 am – 12:40 pm – Sports Medicine

Concussion in Sports: Recognition, Office Evaluation and Management for Primary Care

Those 18 years of age and younger are particularly vulnerable to concussion, its severity and consequences. This topic will cover the current definition, signs and symptoms, their significance and an office-based approach to mild traumatic brain injury that can accompany participation in youth sports. The presentation will include up-to-date return to sport guidelines and decision making and provide concussion management tools for the primary care physician.

12:40 pm

Session Adjourns

Saturday, November 7th:

7:00 am – 7:30 am

Hot Breakfast

7:30 am – 8:30 am – Sports Medicine

Commonly Missed Orthopedic Injuries in Children and Adolescents

The immature skeleton of the pediatric and adolescent athlete make it particularly vulnerable to a variety of acute and chronic injuries not seen in the adult population. Recognition of these injuries is critical in the care of the injured young athlete. Objectives of this session include providing physicians with an enhanced differential diagnosis of common and commonly missed musculoskeletal injuries specific to youth and recognition of which injuries can be treated by the primary care physician vs those requiring orthopedic referral.

8:30 am – 9:30 am – Sports Medicine

Nutritional Considerations for the Young Athlete—The Female Athlete Triad

The growing popularity of organized youth sports is well documented. Young women are now participating in organized sports at historic levels. However, many active young women are often either misinformed on the proper dietary habits necessary for optimal health or willingly undermine their performance in the short term and adversely impact their health in the long term through destructive eating and exercise behaviors. The Female Athlete Triad is an increasingly recognized disorder in which aberrant eating behaviors coupled with excessive exercise leads to early bone demineralization at a crucial developmental period. The basis of this disorder will be discussed, its pathophysiology, early recognition and approaches to management will be presented from a primary care perspective.

9:30 am – 9:40 am

Coffee Break

9:40 am – 10:40 am – Neurology

The Treatment of Headaches in Children and Adolescents

Diagnosis of migraines; Tumors; Treatment of increased intracranial pressure

10:40 am – 11:40 am – Dermatology

Acne and Acneiform Eruptions

Topical and systemic therapy

A NON-PROFIT ORGANIZATION

PRIMARY CARE CONFERENCES

11:40 am – 12:40 pm – Dermatology

Viral Diseases

Herpes simplex, varicella-zoster, viral exanthems, molluscum and warts

12:40 pm

Session Adjourns

Sunday, November 8th:

7:00 am – 7:30 am

Continental Breakfast

7:30 am – 8:30 am – Dermatology

Dermatitis

Contact, atopic, irritant, nummular, seborrheic and exfoliative; diagnosis and management

8:30 am – 9:30 am – Dermatology

Papulosquamous Diseases

Psoriasis, lichen planus, pityriasis rosea, connective tissue diseases; how to tell one scaly rash from another

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Discuss signs, symptoms, significance and approach to mild traumatic brain injury as a consequence of athletic endeavors
- List the current recommendations, controversies and medicolegal considerations surrounding treating the adolescent athlete
- List treatment strategies for pediatric epilepsy, headaches and movement disorders
- Discriminate the diagnostic principles and treatment options for dermatitis and papulosquamous diseases in children and adolescents
- Discuss the diagnosis and treatment of viral skin infections
- Describe the step-wise approach for the diagnosis and treatment of acne and acneiform eruptions

Learning Outcome

To provide updates in primary care medicine to office based providers

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation

Physician Accreditation

Medical Education Resources is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians

This Live activity, *Pediatric & Adolescent Medicine for Primary Care*, with a beginning date of November 6, 2020 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

American Academy of Physician Assistants

AAPA accepts certificates of participation for educational activities certified for Category I credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit(s)TM* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 12 hours of Category I credit for completing this program.

Nursing Accreditation

Medical Education Resources is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This CE activity provides 12 contact hours of continuing nursing education.

This activity is designated for 5.0 ANCC pharmacotherapeutic contact hours.

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

Provider approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Pharmacy Accreditation

Medical Education Resources (MER) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. MER designates this continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: 0816-0000-20-080-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
