## **INFECTIOUS DISEASE MEDICINE FOR PRIMARY CARE**

**Yellowstone National Park/Big Sky, Montana – Big Sky Resort  
July 2 – 4, 2021**

**Friday, July 2nd:**

**7:00 am – 7:30 am**

**Registration and Hot Breakfast**

**7:30 am – 8:30 am**

**Bone and Joint Infections**

Presentation on the most important syndromes and pathogens involved in bone and joint infections – e.g., osteomyelitis, septic arthritis, bursitis, prosthetic joint infections and others – including related diagnostic, therapeutic and prevention pearls.

**8:30 am – 9:30 am**

**Immunizations Update**

Presentation on key vaccine preventable diseases and their presentations with an emphasis on the latest recommendations including newest schedules, safety and efficacy information

**9:30 am – 9:40 am**

**Coffee Break**

**9:40 am – 10:40 am**

**Don't Miss It: Ambulatory Care Infectious Disease Emergencies**

Discussion around exemplary cases that addresses key diagnostic and management strategies for potentially emergent outpatient infectious disease challenges

**10:40 am – 11:40 am**

**Emerging Infectious Diseases**

Novel influenza viruses, resurgence of vaccine-preventable diseases, zoonoses and disease related to animal exposures (including vectors such as mosquitoes that bear west Nile virus and dengue), bioterrorism and food/waterborne illness

**11:40 am – 12:40 pm**

**Gastrointestinal Infectious and Clostridiodes Difficile**

Presentation on important enteric pathogens and their recognition, diagnosis and management; special emphasis on clostridiodes difficile colitis and related updates from the ID and infection control literature

**12:40 pm**

**Session Adjourns**

**Saturday, July 3rd:**

**7:00 am – 7:30 am**

**Hot Breakfast**

**7:30 am – 8:30 am**

**Respiratory Tract Infections**

Discussion highlighting critical points regarding the diagnosis and management of pneumonia and bronchitis – with a focus on the impact of multidrug resistant pathogens

**8:30 am – 9:30 am**

**Evidence-based Healthcare-associated Infections**

Presentation on important pathogens in the healthcare setting and related clinical, epidemiologic and infection control information (please note that the discussion on blood-borne pathogens will NOT suffice for standard hospital CME requirements for BBP training)

**9:30 am – 9:40 am**

**Coffee Break**

**9:40 am – 10:40 am**

**Genitourinary Diseases Update**

Presentation on a relevant and clinically practical approach to the patient with genitourinary complaints focusing on the latest guidelines for the range of urinary tract infections and highlights of selected and important sexually-transmitted disease syndromes.

**10:40 am – 11:40 am**

**Skin and Soft-tissue Infections**

Presentation on important skin and soft-tissue infections and their prompt recognition, emphasizing evaluation and management strategies

**11:40 am – 12:40 pm**

**Central Nervous System Infections**

Presentation on common CNS infectious disease presentation and syndromes including basic epidemiology, diagnosis and treatment strategies

**12:40 pm**

**Session Adjourns**

## Sunday, July 4th:

**7:00 am – 7:30 am**

### **Continental Breakfast**

**7:30 am – 8:30 am**

### **Tuberculosis: What the Primary Care Clinician Should Know**

Update on the basic epidemiology, microbiology, diagnosis, therapy and manifestations of TB including latent TB, drug-resistance and disease complications.

**8:30 am – 9:30 am**

### **Infectious Disease Syndromes in the Special Host**

Discussion involving important infectious disease syndromes in three special hosts: the diabetic patient, the HIV/AIDS patient and the pregnant woman

**9:30 am**

### **Conference Adjourns**

## **Target Audience**

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

## **Learning Objectives**

Upon completion of this program, participants should be better able to:

- Discuss the most important approaches to the febrile patient with potentially life-threatening diseases in both hospital - and clinic-associated settings
- Discuss emerging infectious diseases including resurgence of vaccine-preventable diseases, zoonoses, and diseases related to animal exposures
- Diagnose and manage important infectious disease syndromes in a range of organ-based systems (CNS, respiratory, gastrointestinal, skin and soft-tissue, bone and joint)
- Identify updates for immunizations, genitourinary infections (including selected sexually-transmitted diseases) and tuberculosis
- Describe important strategies for the evaluation of infections in immunocompromised hosts

## **Learning Outcome**

To provide updates in primary care medicine to office based providers

### **Disclosure of Conflicts of Interest**

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

### **Disclaimer**

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

## Accreditation Statements

### Joint Accreditation for Interprofessional Continuing Education

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

### Physician Credit Designation

#### AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### American Academy of Family Physicians (AAFP)

This Live activity, *Infectious Disease Medicine for Primary Care*, with a beginning date of July 2, 2021 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

### **American Osteopathic Association (AOA)**

This activity is approved for 12 hours in Category 2-A by the American Osteopathic Association.

### **American College of Emergency Physicians (ACEP)**

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

### **Canadian Physicians**

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

### **Nursing Credit Designation**

#### **American Nurses Credentialing Center (ANCC)**

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 4.0 ANCC pharmacotherapeutic contact hours.

### **American Academy of Nurse Practitioners (AANP)**

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

### **California Board of Registered Nursing**

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

### **Physician Assistant Credit Designation**

#### **American Academy of Physician Assistants (AAPA)**

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

### Pharmacy Accreditation

#### Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-21-XXX-L01-P

JA0003680-0000-21-XXX-H01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
