## **INTERNAL MEDICINE FOR PRIMARY CARE: ADDICTION/INFECTIOUS DISEASE/PSYCHIATRY**

**Beaver Creek, CO - Park Hyatt Beaver Creek  
02-25-2022 - 02-27-2022**

## Morning Session - Friday, February 25, 2022

**6:30 am**

**Registration and Hot Breakfast**

**7:00 am - 8:00 am - Infectious Diseases**

**Skin & Soft Tissue Infections**

Presentation on important skin and soft-tissue infections and their prompt recognition, emphasizing evaluation and management strategies

**8:00 am - 9:00 am - Infectious Diseases**

**Gastrointestinal Infections & Clostridium Difficile**

Presentation on important enteric pathogens and their recognition, diagnosis and management; special emphasis on clostridium difficile colitis and related updates from the ID and infection control literature

**9:00 am**

**Session Adjourns**

## Afternoon Session - Friday, February 25, 2022

**3:00 pm - 4:00 pm - Addiction**

**Substance Use Disorders: Screening & Identification for Primary Care Providers**

Essential information and skills necessary for identifying substance use and addiction in the primary care setting; epidemiology, assessment and screening tools; practical steps for intervention

**4:00 pm - 5:00 pm - Addiction**

**The Opioid Crisis and Primary Care Providers**

Origin and epidemiology; differentiating other elements contributing to the crisis; opioid effects and pharmacology; common misconceptions about opioid analgesic safety; identifying risk for overdose and addiction; best practices and guidelines for safe prescribing and monitoring use

**5:00 pm - 6:00 pm - Infectious Diseases**

**Respiratory Tract Infections**

Discussion highlighting critical points regarding the diagnosis and management of pneumonia and bronchitis – with a focus on the impact of multidrug resistant pathogens

**6:00 pm**

**Session Adjourns**

## Morning Session - Saturday, February 26, 2022

**6:30 am**

### Registration and Hot Breakfast

**7:00 am - 8:00 am - Addiction**

#### Psychopharmacology and Addiction Medicine

Psychopharmacologic interventions and overdose and addiction; Medication-assisted Treatment (MAT) with FDA approved medications for treating addiction-indications and contraindications; Medication management for co-occurring psychiatric disorders

**8:00 am - 9:00 am - Addiction**

#### Chronic Pain and Addictions

Epidemiology of pain; risk factors and comorbidity; pain management concepts; patient factors affecting the analgesic response; the relationship between stress and chronic pain; the range of therapeutic options for management including non-pharmacologic approaches

**9:00 am**

### Session Adjourns

## Afternoon Session - Saturday, February 26, 2022

**3:00 pm - 4:00 pm - Infectious Diseases**

#### Genitourinary Infections

Presentation on a relevant and clinically practical approach to the patient with genitourinary complaints focusing on the latest guidelines for the range of urinary tract infections and highlights of selected and important sexually-transmitted disease syndromes.

**4:00 pm - 5:00 pm - Psychiatry**

#### The Complexity of ADHD In Teens and Adolescents

Diagnosis and treatment of ADHD in teens and adolescents with an emphasis on history taking, differential diagnosis, medical and psychiatric co-morbidity, and FDA-approved treatments

**5:00 pm - 6:00 pm - Psychiatry**

#### Depressive Disorders

History taking, diagnosis and treatment of depression across the lifespan; pharmacologic and non-pharmacologic treatment options; rational polypharmacy

**6:00 pm**

### Session Adjourns

**Sunday, February 27, 2022**

**6:30 am**

**Registration and Continental Breakfast**

**7:00 am - 8:00 am - Psychiatry**

**Bipolar Spectrum Disorders**

Bipolar spectrum disorders in adults compared to children and adolescents; the importance of longitudinal/developmental history; multiple medical and psychiatric co-morbidities; evidence-based treatments

**8:00 am - 9:00 am - Psychiatry**

**Suicide and Violence**

Risk assessment for suicide and violence; the relationship between psychotropic medications and suicide or violent behavior; management of the suicidal and violent patient

**9:00 am**

**Conference Adjourns**

### Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

### Learning Outcome

To provide updates in primary care medicine to office based providers

### Learning Objectives

Upon completion of this program, participants should be better able to:

- Review epidemiology and microbiology of skin and soft tissue infections (SSTI)
- Evaluate the severity of diarrhea and evaluate the need for treatment
- List common causative pathogens for various respiratory tract infections
- Diagnose and manage genitourinary infections
- Describe strategies for identifying and treating substance use disorders
- Identify therapies, including nonpharmacological pain treatment strategies, that can reduce the dose of opioids to control pain
- Recognize the basic biological, behavioral, and social factors that underly the mechanisms of drug abuse risk and other related problems
- Discuss options for patients with chronic pain addictions
- Accurately diagnose and treat (pharmacologic and nonpharmacologic) ADHD in teens and adolescents
- Recommend appropriate pharmacologic and non-pharmacologic treatment for depression
- Discuss mood stabilizing psychosocial and pharmacologic treatments of bipolar disorder as well as frequent co-morbid psychiatric disorders
- Assess patients at risk for suicide and violence and intervene to make timely referrals to combat hopelessness

### **Disclosure of Conflicts of Interest**

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

### **Disclaimer**

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

## Accreditation Statements

### Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

### Physician Credit Designation

#### AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 AP™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Addiction/ID/Psych*, with a beginning date of 02-25-2022 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

### American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

### American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

### Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

### **Nursing Credit Designation**

#### **American Nurses Credentialing Center (ANCC)**

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 4.0 ANCC pharmacotherapeutic contact hours.

#### **American Academy of Nurse Practitioners (AANP)**

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

#### **California Board of Registered Nursing**

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

### **Physician Assistant Credit Designation**

#### **American Academy of Physician Assistants (AAPA)**

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

### **Pharmacy Accreditation**

#### **Accreditation Council for Pharmacy Education (ACPE)**

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-22-XXX-H01-P

JA0003680-0000-22-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
