

**INTERNAL MEDICINE FOR PRIMARY CARE:
ALLERGY AND IMMUNOLOGY/GERIATRICS/
RHEUMATOLOGY**

**San Diego, CA - Hotel del Coronado
3/11/2022 - 3/13/2022**

Friday, March 11, 2022

7:00 am

Registration and Hot Breakfast

7:30 am - 9:00 am - Rheumatology

Evaluating the Patient with Joint Pain

Differentiating between inflammatory and non-inflammatory joint pain; the utility of joint aspiration and lab workup with interpretation of synovial fluid analysis; differential diagnosis of joint pain and inflammatory arthritis

9:00 am - 9:30 am - Rheumatology

Update in Pharmacology for Arthritis

Review risks and benefits of traditional NSAIDs and cox-2 inhibitors; analgesics (narcotics and tramadol) and acetaminophen

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Rheumatology

Osteoarthritis

Pathogenesis, diagnosis and treatment

10:40 am - 11:40 am - Geriatrics

Approach to the Geriatric Patient

Poly-pharmacy and dosing problems; functional assessment; quality-of-life issues; abuse; interacting with the patient and the family

11:40 am - 12:40 pm - Geriatrics

Alzheimer's & Other Dementias

Assessing mild cognitive impairment, dementia and Alzheimer's Disease; therapeutic options

12:40 pm

Session Adjourns

Saturday, March 12, 2022

7:00 am

Registration and Hot Breakfast

7:30 am - 8:30 am - Allergy & Immuno

Urticaria, Angioedema, Eczema and Contact Dermatitis

Lecture focused on gaining a working knowledge of how to efficiently and cost effectively manage patients with various atopic skin conditions

8:30 am - 9:30 am - Allergy & Immuno

Drug Allergies for Primary Care

Allergic reactions account for up to 10% of all adverse drug reactions; Discussion will include an office-based approach to rashes, hives, difficulty breathing and other immune responses to medication

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Geriatrics

Managing Difficult Behaviors of Patients With Dementia Without the Use of Psychotropic

Identification and understanding of undesired behavior; strategies for working with dementia patients, including communication approaches, environmental changes, the use of both rewards and redirection

10:40 am - 11:40 am - Allergy & Immuno

Food Allergies and Hymenoptera Allergies

Primary care focused discussion of food and venom allergies including gaining a working knowledge of how to efficiently and cost effectively manage patients with hymenoptera hypersensitivity

11:40 am - 12:40 pm - Allergy & Immuno

Asthma, Allergic Rhinitis, and Sinusitis for Primary Care

Lecture focused on gaining a working knowledge of how to efficiently and cost effectively manage patients with asthma, rhinitis, and sinusitis

12:40 pm

Session Adjourns

Sunday, March 13, 2022

7:00 am

Registration and Continental Breakfast

7:30 am - 8:30 am - Rheumatology

Differential Diagnosis of Inflammatory Arthritis

Clinical presentation and laboratory work-up for rheumatoid arthritis, systemic lupus erythematosus, spondyloarthropathies (SPA), infectious arthritis and systemic sclerosis; Treatment of RA with DMARDs; and treatment principles of SLE, Sjogren's, SPA and PMR

8:30 am - 9:30 am - Geriatrics

Heart Failure: Assessment and Management of the Most Expensive Disease in Older Adults

Recognition of the high mortality associated with heart failure; Understanding how to diagnose heart failure and the difference between reduced ejection fraction and preserved ejection fraction heart failure; Evidence based treatments available for heart failure

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Outcome

To provide updates in primary care medicine to office based providers

Learning Objectives

Upon completion of this program, participants should be better able to:

- Compare and contrast inflammatory & non-inflammatory joint pain and their differential diagnoses
- Review the risks and benefits of the treatment options for arthritis (non-selective NSAIDs, cox-2 inhibitors, DMARDs, narcotics and tramadol)
- Utilize current evidence to design treatment strategies for osteoarthritis
- Describe the differential diagnoses of inflammatory arthritis
- Outline the management of anaphylactic reactions and indications for immunotherapy
- Describe how to efficiently and cost effectively manage patients with asthma, rhinitis, and sinusitis
- Discuss epidemiology, risk factors, and causes of atopic dermatitis
- Identify common adverse drug reactions to specific high incidence medications
- Utilize a comprehensive geriatric assessment to identify potential issues
- Diagnose and treat cognitive impairment, dementias, and Alzheimer's disease
- Discuss strategies for the management of difficult behaviors in patients with dementia without the use of psychotropic medications
- Describe the assessment and management of heart failure in older adults

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 AP™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Allergy and Immuno/Geri/Rheum*, with a beginning date of 3/11/2022 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 3.5 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-22-XXX-H01-P

JA0003680-0000-22-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
