## **INTERNAL MEDICINE FOR PRIMARY CARE: ADDICTION/PULMONARY/VASCULAR**

**Nashville, TN - The Westin Nashville  
6/24/2022 - 6/26/2022**

Friday, June 24, 2022

**7:00 am**

**Registration and Hot Breakfast**

**7:30 am - 8:30 am - Pulmonology**

**Asthma**

The medical impact of asthma; fundamental role of inflammation, with possible scarring and irreversible loss of lung function; practical points of diagnosis; goal setting management based on levels of severity; risk factors for mortality and treatment in the acute setting; management options for the difficult to control asthmatic patient

**8:30 am - 9:30 am - Pulmonology**

**Controversies in the Treatment of Common Respiratory Infections**

Acute and chronic bronchitis; pneumonia (community versus hospital-acquired); role of the Pneumonia Severity Index score in determining indication for hospitalization; cost-effective use of antibiotics; clinical significance of drug resistance; guidelines for management

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Pulmonology**

**COPD**

Definition; pathophysiology; early detection and intervention; risk reduction; management update including new modalities (including lung volume reduction surgery) and the role of inhaled corticosteroids and domiciliary oxygen

**10:40 am - 11:40 am - Addiction**

**Substance Use Disorders: Screening & Identification for Primary Care Providers**

Essential information and skills necessary for identifying substance use and addiction in the primary care setting; epidemiology, assessment and screening tools; practical steps for intervention

**11:40 am - 12:40 pm - Addiction**

**The Opioid Crisis and Primary Care Providers**

Origin and epidemiology; differentiating other elements contributing to the crisis; opioid effects and pharmacology; common misconceptions about opioid analgesic safety; identifying risk for overdose and addiction; best practices and guidelines for safe prescribing and monitoring use

**12:40 pm**

**Session Adjourns**

**Saturday, June 25, 2022**

**7:00 am**

**Registration and Hot Breakfast**

**7:30 am - 8:30 am - Addiction**

**Psychopharmacology and Addiction Medicine**

Psychopharmacologic interventions and overdose and addiction; Medication-assisted Treatment (MAT) with FDA approved medications for treating addiction-indications and contraindications; Medication management for co-occurring psychiatric disorders

**8:30 am - 9:30 am - Addiction**

**Chronic Pain and Addictions**

Epidemiology of pain; risk factors and comorbidity; pain management concepts; patient factors affecting the analgesic response; the relationship between stress and chronic pain; the range of therapeutic options for management including non-pharmacologic approaches

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Pulmonology**

**Lung Cancer Screening & Pulmonary Nodules**

Appropriate use of the new lung cancer screening recommendations; Fleischner Society guidelines and American College of Chest Physician Lung Cancer guidelines; approach to definitive evaluation and management strategies

**10:40 am - 11:40 am - Vascular Medicine**

**Peripheral Vascular Disease and Approaching Abdominal Aortic Aneurisms**

Defining the spectrum of maladies included in peripheral vascular disease and understanding underlying arterial pathology including atherosclerosis; abdominal aortic aneurysm diagnosis, evaluation and treatment is also included

**11:40 am - 12:40 pm - Vascular Medicine**

**Stroke: Initial Presentation to Medical and Surgical Treatment**

Carotid occlusive disease and stroke

**12:40 pm**

**Session Adjourns**

**Sunday, June 26, 2022**

**7:00 am**

**Registration and Continental Breakfast**

**7:30 am - 8:30 am - Vascular Medicine**

**Venous Thrombosis Through the Eyes of an Interventionalist**

Venous Thrombosis: Diagnosis, evaluation and treatment

**8:30 am - 9:30 am - Vascular Medicine**

**The Dysvascular Limb: How to Approach Swelling and Ulcers**

The swollen limb and the ulcerated foot: organizational approach to the differential diagnosis, data gathering and evaluation, treatment options and follow-up

**9:30 am**

**Conference Adjourns**

### **Target Audience**

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

### **Learning Outcome**

To provide updates in primary care medicine to office based providers

### **Learning Objectives**

Upon completion of this program, participants should be better able to:

- Diagnose and manage patients with asthma
- Design treatment strategies reflective of current evidence-based medicine for common respiratory infections
- Describe the current therapeutic management of COPD
- Discuss diagnosis and screening strategies as well as treatment plans for lung nodules and lung cancer
- Describe strategies for identifying and treating substance use disorders
- Identify therapies, including nonpharmacological pain treatment strategies, that can reduce the dose of opioids to control pain
- Recognize the basic biological, behavioral, and social factors that underly the mechanisms of drug abuse risk and other related problems
- Discuss options for patients with chronic pain addictions
- Describe the spectrum of maladies included in peripheral vascular disease
- Discuss presentation and interventional treatment of stroke patients
- Describe the evaluation and treatment of venous thrombosis
- Discuss presentation and interventional treatment of swelling and ulcers of dysvascular limbs

### **Disclosure of Conflicts of Interest**

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

### **Disclaimer**

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

## Accreditation Statements

### Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

### Physician Credit Designation

#### AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 AP™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Addiction/Pulm/Vasc*, with a beginning date of 6/24/2022 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

### American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

### American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

### Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

### **Nursing Credit Designation**

#### **American Nurses Credentialing Center (ANCC)**

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for X ANCC pharmacotherapeutic contact hours.

#### **American Academy of Nurse Practitioners (AANP)**

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

#### **California Board of Registered Nursing**

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

### **Physician Assistant Credit Designation**

#### **American Academy of Physician Assistants (AAPA)**

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

### **Pharmacy Accreditation**

#### **Accreditation Council for Pharmacy Education (ACPE)**

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-22-XXX-H01-P

JA0003680-0000-22-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
