INTERNAL MEDICINE FOR PRIMARY CARE: GERIATRICS/NEUROLOGY/PSYCHIATRY

**Santa Barbara, CA - The Ritz-Carlton, Bacara, Santa Barbara
10/7/2022 - 10/9/2022**

Friday, October 7, 2022

7:00 am

Registration and Hot Breakfast

7:30 am - 8:30 am - Geriatrics

Approach to the Geriatric Patient

Poly-pharmacy and dosing problems; functional assessment; quality-of-life issues; abuse; interacting with the patient and the family

8:30 am - 9:30 am - Geriatrics

Common Musculoskeletal Problems

Osteoarthritis and spinal stenosis, polymyalgia rheumatica, night-time leg disorders

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Geriatrics

Managing Difficult Behaviors of Patients With Dementia Without the Use of Psychotropic

Identification and understanding of undesired behavior; strategies for working with dementia patients, including communication approaches, environmental changes, the use of both rewards and redirection

10:40 am - 11:40 am - Neurology

The Neurological Exam

Characteristics and objectives of the examination; exam phases; assessing general mental status; long-term predilections; examination of infants; demonstration on conducting an exam

11:40 am - 12:40 pm - Neurology

Alzheimer's & Other Dementias

Definition; statistics; neurological changes of normal aging; pathology; etiological theories; vascular dementias; investigations; social issues; symptomatic treatment; research therapies

12:40 pm

Session Adjourns

Saturday, October 8, 2022

7:00 am

Registration and Hot Breakfast

7:30 am - 8:30 am - Neurology

Parkinson's Disease & Other Movement Disorders

Epidemiology; cardinal features; secondary features; pathology; neurochemistry; differential diagnosis; treatment; complication; other movement disorders; neuroleptic- induced movement disorders; chorea

8:30 am - 9:30 am - Neurology

Cerebrovascular Disorders

Epidemiology; identifying the high-risk patient; treatment effects; transient neurological deficit: carotid, vertebrobasilar; non-specific cerebral symptoms; migraines vs. TIA; treatment options

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Geriatrics

Pain Management in the Older Adult

Assessment and management of pain in the older adult

10:40 am - 11:40 am - Psychiatry

Substance Abuse in the Elderly

Substance abuse history-taking to encourage patient honesty; accurate diagnosis; use of screening tools; co-morbidities and treatment options.

11:40 am - 12:40 pm - Psychiatry

Managing Depression in the Elderly

History taking, diagnosis and treatment of depression in the elderly; pharmacologic and non-pharmacologic treatment options; rational polypharmacy

12:40 pm

Session Adjourns

Sunday, October 9, 2022

7:00 am

Registration and Continental Breakfast

7:30 am - 8:30 am - Psychiatry

Suicide and Violent Behavior in the Geriatric Population

Risk assessment for suicide and violence; the relationship between psychotropic medications and suicide or violent behavior; management of the suicidal and violent patient

8:30 am - 9:30 am - Psychiatry

Coping with Chronic Illness

Optimization of psychiatric and medical treatment; strengthening the patient's response to psychiatric and medical treatment through optimizing adherence; behavioral strategies and specific tools to help change health behaviors

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Outcome

To provide updates in primary care medicine to office based providers

Learning Objectives

Upon completion of this program, participants should be better able to:

- Utilize a comprehensive geriatric assessment to identify potential issues
- Evaluate and manage common musculoskeletal problems and pain in the elderly
- Discuss strategies for the management of difficult behaviors in patients with dementia without the use of psychotropic medications
- Describe assessment and management of pain in the older adult
- Perform a neurological exam
- Discuss evidence-based management options for Alzheimer's disease
- Evaluate weakness and recognize cardinal features of Parkinson's disease as well as other movement disorders
- Utilize prevention and treatment strategies for cerebrovascular disorders
- Accurately diagnose and treat (pharmacologic and nonpharmacologic) substance abuse and depression in older adults
- Discuss the etiologies, differential diagnosis, and treatment approaches to depression in the elderly
- Recognize risk factors and assess patients at risk for suicide and violence and intervene to make timely referrals to combat hopelessness
- Describe common obstacles and management strategies to cope with chronic illness

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 AP™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Geri/Neuro/Psych*, with a beginning date of 10/7/2022 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for X ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-21-XXX-H01-P

JA0003680-0000-21-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
