## **GERIATRIC MEDICINE FOR PRIMARY CARE: ENDOCRINOLOGY/GERIATRICS/NEUROLOGY**

**San Diego, CA - Hotel del Coronado  
October 7 - 9, 2022**

Friday, October 7, 2022

**7:00 am**

**Registration and Hot Breakfast**

**7:30 am - 8:30 am - Geriatrics**

**Approach to the Geriatric Patient**

Poly-pharmacy and dosing problems; functional assessment; quality-of-life issues; abuse; interacting with the patient and the family

**8:30 am - 9:30 am - Geriatrics**

**Urological Disorders**

Incontinence and two of the following: BPH, prostate cancer, prostatitis or sexual dysfunction

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Geriatrics**

**Geriatric Gait Disorders & Falls**

Diagnosing problems associated with gait abnormalities; considering causes and prevention of falls; exercise training, aerobics, balance training, resistance

**10:40 am - 11:40 am - Neurology**

**Parkinson's Disease & Other Movement Disorders**

Epidemiology; cardinal features; secondary features; pathology; neurochemistry; differential diagnosis; treatment; complication; other movement disorders; neuroleptic-induced movement disorders; chorea

**11:40 am - 12:40 pm - Neurology**

**Alzheimer's & Other Dementias**

Definition; statistics; neurological changes of normal aging; pathology; etiological theories; vascular dementias; investigations; social issues; symptomatic treatment; research therapies

**12:40 pm**

**Session Adjourns**

**Saturday, October 8, 2022**

**7:00 am**

**Registration and Hot Breakfast**

**7:30 am - 8:30 am - Neurology**

**Headaches & Migraines**

Basic headache mechanisms; headache history: characteristics, precipitating factors, medical conditions; migraine: common tension, classic, treatment, complicated, cluster, sinus; trigeminal neuralgia; Giant Cell Arteritis; brain tumor; subarachnoid hemorrhage; emergency room treatment

**8:30 am - 9:30 am - Neurology**

**Cerebrovascular Disorders**

Epidemiology; identifying the high-risk patient; treatment effects; transient neurological deficit: carotid, vertebrobasilar; non-specific cerebral symptoms; migraines vs. TIA; treatment options

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Geriatrics**

**Managing Behavior Problems in Dementia Patients**

Identification and understanding of undesired behavior; Limiting the impact of destructive behavior on outcomes; Strategies for working with dementia patients, including communication approaches, environmental changes, the use of both rewards and redirection; Understanding the goal of reducing or eliminating medication use

**10:40 am - 11:40 am - Endocrinology**

**Osteoporosis**

Review the epidemiology and pathophysiology of osteoporosis along with interpretation of DEXA scans and FRAX risk assessment; up-to-date therapeutic options

**11:40 am - 12:40 pm - Endocrinology**

**Endocrine Hypertension**

Review the epidemiology and pathophysiology of hormonal causes of hypertension; up-to-date therapeutic options

**12:40 pm**

**Session Adjourns**

**Sunday, October 9, 2022**

**7:00 am**

**Registration and Continental Breakfast**

**7:30 am - 8:30 am - Endocrinology**

**Type 2 Diabetes Mellitus**

Diagnosis and treatment; lessons from the DCCT; managing diabetic emergencies; screening; pre-diabetes

**8:30 am - 9:30 am - Endocrinology**

**Insulin Therapy for Diabetes**

Treating T2DM with insulin; T1DM

**9:30 am**

**Conference Adjourns**

### Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

### Learning Objectives

Upon completion of this program, participants should be better able to:

- Utilize a comprehensive geriatric assessment to identify potential issues
- Describe the primary care workup of incontinence in older adults
- Assess and manage gait disorders to prevent falls
- Discuss strategies for the management of difficult behaviors in patients with dementia without the use of psychotropic medications
- Evaluate weakness and recognize cardinal features of Parkinson's disease as well as other movement disorders
- Discuss evidence-based management options for Alzheimer's disease
- Describe the differential diagnosis of headaches and migraines
- Utilize prevention and treatment strategies for cerebrovascular disorders
- Identify the risks and benefits of utilizing bisphosphonates in the treatment of osteoporosis
- Define common etiologies of endocrine hypertension
- Develop patient-specific treatment plans for the management of type 2 diabetes
- Diagnose and tailor treatment strategies for type 1 and type 2 diabetes

### **Disclosure of Conflicts of Interest**

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported conflicts of interest are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in health care and not the business interest of a commercial interest.

### **Disclaimer**

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

## Accreditation Statements

### Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

### Physician Credit Designation

#### AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### American Academy of Family Physicians (AAFP)

This Live activity, *Geriatric Medicine for Primary Care: Endo/Geri/Neuro*, with a beginning date of October 7, 2022 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

### American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

### American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

### Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1

credits.

### **Nursing Credit Designation**

#### **American Nurses Credentialing Center (ANCC)**

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6.0 ANCC pharmacotherapeutic contact hours.

#### **American Academy of Nurse Practitioners (AANP)**

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

#### **California Board of Registered Nursing**

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

### **Physician Assistant Credit Designation**

#### **American Academy of Physician Assistants (AAPA)**

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

### **Pharmacy Accreditation**

#### **Accreditation Council for Pharmacy Education (ACPE)**

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-22-375-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
