

PRIMARY CARE CONFERENCES
EXCEPTIONAL CME | EXTRAORDINARY LOCATIONS

WWW.MER.ORG

**INTERNAL MEDICINE FOR PRIMARY CARE:
GYNECOLOGY/INFECTIOUS DISEASES/
ONCOLOGY/PULMONOLOGY**

**Paris, France - Paris Marriott Opera Ambassador Hotel
May 15 - 18, 2023**

Monday, May 15, 2023

7:00 am

Registration

Rooms booked as part of the MER room block include breakfast in the hotel dining room. Participants booked outside of the MER room block, please make breakfast arrangements on your own.

7:30 am - 8:30 am - Pulmonology

Asthma

The medical impact of asthma; fundamental role of inflammation, with possible scarring and irreversible loss of lung function; practical points of diagnosis; goal setting management based on levels of severity; risk factors for mortality and treatment in the acute setting; management options for the difficult to control asthmatic patient

8:30 am - 9:30 am - Pulmonology

Controversies in the Treatment of Common Respiratory Infections

Acute and chronic bronchitis; pneumonia (community versus hospital-acquired); role of the Pneumonia Severity Index score in determining indication for hospitalization; cost-effective use of antibiotics; clinical significance of drug resistance; guidelines for management

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Pulmonology

COPD

Definition; pathophysiology; early detection and intervention; risk reduction; management update including new modalities (including lung volume reduction surgery) and the role of inhaled corticosteroids and domiciliary oxygen

10:40 am - 11:40 am - Gynecology

Abnormal Uterine Bleeding

Overview of normal/abnormal menstrual physiology/profile; menstrual disturbances; ovulatory and anovulatory uterine bleeding; other menstrual abnormalities; diagnosis and appropriate treatment options

11:40 am - 12:40 pm - Gynecology

Menopause Transition and Hormone Replacement Therapy

Symptoms of menopause, including hot flashes, night sweats, and atrophy; Menopause syndromes, including osteoporosis, breast cancer, cardiac disease, and colon cancer; Large scale trials on effectiveness and risks of hormone therapy; Counseling patients on alternatives to hormone therapy

12:40 pm

Session Adjourns

Tuesday, May 16, 2023

7:00 am

Registration

Rooms booked as part of the MER room block include breakfast in the hotel dining room. Participants booked outside of the MER room block, please make breakfast arrangements on your own.

7:30 am - 8:30 am - Gynecology

Polycystic Ovary Syndrome (PCOS) Overview for Primary Care

Discussion of the normal balance of hormones (estrogen, progesterone and androgens) in the ovaries; Treatment of cysts and the regulation of menstrual cycles; Acne and hair growth; Treatment options

8:30 am - 9:30 am - Gynecology

Diagnosis and Management of Ectopic Pregnancy and Pregnancy of Unknown Location (PUL)

Recognize common presentations of an ectopic pregnancy

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Pulmonology

Lung Cancer Screening & Pulmonary Nodules

Appropriate use of the new lung cancer screening recommendations; Fleischner Society guidelines and American College of Chest Physician Lung Cancer guidelines; approach to definitive evaluation and management strategies

10:40 am - 11:40 am - Oncology

Approach to the Patient with Suspected Cancer

Symptoms, signs and diagnoses that raise the suspicion of cancer will be reviewed, and an approach to evaluating these patients will be presented

11:40 am - 12:40 pm - Oncology

Management of Cancer Survivors

Medical issues related to cancer survivorship and approaches to surveillance for cancer recurrence will be reviewed

12:40 pm

Session Adjourns

Wednesday, May 17, 2023

7:00 am

Registration

Rooms booked as part of the MER room block include breakfast in the hotel dining room. Participants booked outside of the MER room block, please make breakfast arrangements on your own.

7:30 am - 8:30 am - Oncology

A Primary Care Review of New Oral Anticoagulants

Mechanisms of action, clinical indications, therapeutic indices, perioperative management and approaches to reversal of new anticoagulant and antiplatelet medications will be reviewed

8:30 am - 9:30 am - Oncology

A Primary Care Review of New Antiplatelet Agents

Mechanisms of action, clinical indications, effectiveness, safety and peri-procedure management of current antiplatelet agents will be reviewed

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Infectious Diseases

Skin & Soft Tissue Infections

Presentation on important skin and soft-tissue infections and their prompt recognition, emphasizing evaluation and management strategies

10:40 am - 11:40 am - Infectious Diseases

Genitourinary Infections

Presentation on a relevant and clinically practical approach to the patient with genitourinary complaints focusing on the latest guidelines for the range of urinary tract infections and highlights of selected and important sexually-transmitted disease syndromes.

11:40 am

Session Adjourns

Thursday, May 18, 2023

7:00 am

Registration

Rooms booked as part of the MER room block include breakfast in the hotel dining room. Participants booked outside of the MER room block, please make breakfast arrangements on your own.

7:30 am - 8:30 am - Infectious Diseases

Emerging Infectious Diseases

Novel influenza viruses, resurgence of vaccine-preventable diseases, zoonoses and disease related to animal exposures (including vectors such as mosquitoes that bear west Nile virus and dengue), bioterrorism and food/waterborne illness

8:30 am - 9:30 am - Infectious Diseases

Antimicrobial Stewardship and Multidrug Resistance

Definition of an antimicrobial stewardship program (ASP); Concepts of the antimicrobial stewardship program; Four goals of antimicrobial stewardship; Most recent additions to the antimicrobial armamentarium

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Diagnose and manage patients with asthma
- Design treatment strategies reflective of current evidence-based medicine for common respiratory infections
- Describe the current therapeutic management of COPD
- Discuss diagnosis and screening strategies as well as treatment plans for lung nodules and lung cancer
- Assess and manage abnormal uterine bleeding
- Discuss menopausal transition and the risks/benefits of treatment options
- Describe the current diagnostic criteria for PCOS in adolescents
- Definition and diagnosis of ectopic pregnancy and PUL; Common presentations; Active and expectant management options; Outcomes; Appropriate counseling
- Discuss the diagnostic approach to the patient with suspected cancer
- Evaluate and manage risks of the cancer survivor
- Manage patients on new oral anticoagulants
- Describe the mechanism of action of new antiplatelet agents
- Review epidemiology and microbiology of skin and soft tissue infections (SSTI)
- Diagnose and manage genitourinary infections
- Discuss emerging infectious diseases including resurgence of vaccine-preventable diseases, zoonoses, and diseases related to animal exposures
- List goals of an antimicrobial stewardship program and strategies for antimicrobial treatment

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported conflicts of interest are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in health care and not the business interest of a commercial interest.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 16 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 16 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Gyn/ID/Onc/Pulm*, with a beginning date of May 15, 2023 has been reviewed and is acceptable for up to 16 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 16 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 16 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 16 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6.0 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 16 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 16 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 16 contact hours (1.6 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-21-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
