INTERNAL MEDICINE FOR PRIMARY CARE: CARDIOLOGY/GERIATRICS/PSYCHIATRY

**Destin, FL - Hotel Effie Sandestin
March 17 - 19, 2023**

Friday, March 17, 2023

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Cardiology

Work-up of Patients with Suspected CAD

Risk factor evaluation and risk assessment models; Test selection including ECG, echo, nuclear and newer imaging modalities (including discussion of appropriate use criteria--AUC); The usefulness of CT scanning; The role of bio markers and EBCT; Suspected CAD in special populations (women, diabetics, the elderly)

8:30 am - 9:30 am - Cardiology

Acute Coronary Syndromes: The Patient with Acute Chest Pain

Diagnosis and initial evaluation in the primary care setting, urgent care clinic and emergency department; Initial workup, treatment, and follow-up; Diagnosing and treating ST segment elevation and non-ST segment elevation MIs; The role of drug therapy--primary vs adjunctive to PCI; Follow up after acute coronary syndromome

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Cardiology

Hypertension

JNC-8 and other guidelines updates--new treatment goals; Review of the major drug classes, role of beta blockers; Drugs that should be used for initial therapy as well as drug combinations; Proper diagnostics: monitoring vs home treatment; Discussion of how low is too low; Treating special populations: diabetics, the elderly, patients with renal failure

10:40 am - 11:40 am - Psychiatry

The Complexity of Adult ADHD

Diagnosis and treatment of ADHD in adults with an emphasis on history taking, differential diagnosis, medical and psychiatric co-morbidity, and FDA-approved treatments

11:40 am - 12:40 pm - Psychiatry

Bipolar Spectrum Disorders

Bipolar spectrum disorders in adults compared to children and adolescents; the importance of longitudinal/developmental history; multiple medical and psychiatric co- morbidities; evidence-based treatments

12:40 pm

Session Adjourns

Saturday, March 18, 2023

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Psychiatry

Substance Abuse

Substance abuse history-taking to encourage patient honesty; accurate diagnosis; use of screening tools; co-morbidities and treatment options.

8:30 am - 9:30 am - Psychiatry

Burnout and Physician Wellness: Surviving the New Realities of Practice

Strategies to enable physicians and other healthcare providers in coping with increased pressures and responsibilities

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Cardiology

Arrhythmias

Types and symptoms of arrhythmias; Approach to the patient: when to treat, when to refer, when to admit; Evaluation of the patient with palpitations; Atrial fibrillation: the use of anticoagulants indications, CVA risk scores, warfarin vs newer oral anticoagulants, controlling heart rate vs rhythm; Ventricular and other arrhythmias: when are they serious

10:40 am - 11:40 am - Geriatrics

Approach to the Geriatric Patient

Poly-pharmacy and dosing problems; functional assessment; quality-of-life issues; abuse; interacting with the patient and the family

11:40 am - 12:40 pm - Geriatrics

Urological Disorders

Incontinence and two of the following: BPH, prostate cancer, prostatitis or sexual dysfunction

12:40 pm

Session Adjourns

Sunday, March 19, 2023

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Geriatrics

Alzheimer's & Other Dementias

Assessing mild cognitive impairment, dementia and Alzheimer's Disease; therapeutic options

8:30 am - 9:30 am - Geriatrics

Managing Behavior Problems in Dementia Patients

Identification and understanding of undesired behavior; Limiting the impact of destructive behavior on outcomes; Strategies for working with dementia patients, including communication approaches, environmental changes, the use of both rewards and redirection; Understanding the goal of reducing or eliminating medication use

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Describe the work-up, risk assessment and test selection of patients with suspected CAD
- Describe current diagnostic approaches and the role of drug therapy to the patient with acute chest pain
- Explain current concepts in the diagnosis and treatment of hypertension
- Describe current diagnostic and treatment approaches to arrhythmias and atrial fibrillation
- Compare the benefits and side effect profiles of pharmacologic treatment options for ADHD
- Discuss mood stabilizing psychosocial and pharmacologic treatments of bipolar disorder as well as frequent co-morbid psychiatric disorders
- Describe strategies for identifying and treating substance use disorders
- Discuss options for coping with increased practice pressure with the goal of avoiding provider burnout
- Utilize a comprehensive geriatric assessment to identify potential issues
- Describe the primary care workup of incontinence in older adults
- Diagnose and treat cognitive impairment, dementias, and Alzheimer's disease
- Discuss strategies for the management of difficult behaviors in patients with dementia without the use of psychotropic medications

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported conflicts of interest are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in health care and not the business interest of a commercial interest.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Cardio/Geri/Psych*, with a beginning date of March 17, 2023 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6.5 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-23-024-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
