INTERNAL MEDICINE FOR PRIMARY CARE: BARIATRICS/INFECTIOUS DISEASE/NUTRITION

**Napa, CA - Napa Valley Marriott Hotel & Spa
April 19 - 21, 2024**

Friday, April 19, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Infectious Diseases

Skin & Soft Tissue Infections

Presentation on important skin and soft-tissue infections and their prompt recognition, emphasizing evaluation and management strategies

8:30 am - 9:30 am - Infectious Diseases

Respiratory Tract Infections

Discussion highlighting critical points regarding the diagnosis and management of pneumonia and bronchitis – with a focus on the impact of multidrug resistant pathogens

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Infectious Diseases

Gastrointestinal Infections & Clostridioides Difficile

Presentation on important enteric pathogens and their recognition, diagnosis and management; special emphasis on clostridioides difficile colitis and related updates from the ID and infection control literature

10:40 am - 11:40 am - Nutrition

Myths vs. Science in Nutritional Trends: Approach for the Medical Professional

Discussion of how to scientifically navigate the nutritional maze of popular diets and nutritional trends; The potential nutrition benefits and pitfalls of various dietary preferences and related patient concerns; Ways nutrition affects healthy lifestyles

11:40 am - 12:40 pm - Nutrition

Cutting Edge Nutrition Innovation: A Personalized Approach

How to critically evaluate nutrition tools that patients can use to promote optimal health; Review the “latest and greatest” nutrition applications and technologies that can be used to greatly improve patients’ nutrition and health pursuits; Creation of personalized health plans based on unique, patient-specific plans, tests, and analyses

12:40 pm

Session Adjourns

Saturday, April 20, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Nutrition

Medical Nutrition Therapy: A Practical Approach to Diet and Disease

Science-based Nutrition and Behavioral Guide to Treating “The Big” Medical Problems that are taking over your practice; Essential (and proven) strategies to help guide patients' diet and behaviors in the treatment of diabetes, cardiovascular disease, and GI health; Travel through the google-mess of what patients hear and why they turn to these as resources; The science-based strategies and resources that can be implemented to help patients take rational control of their health

8:30 am - 9:30 am - Nutrition

Nutrition Through the Ages: Prevention and Potential Pitfalls

A working guide for a nutritional and behavioral rubric to understand what is expected (and what may undermine) optimal health from infancy through the elderly; Barriers patients face in implementing and sticking with nutritional strategies

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Infectious Diseases

Antimicrobial Stewardship and Multidrug Resistance

Definition of an antimicrobial stewardship program (ASP); Concepts of the antimicrobial stewardship program; Four goals of antimicrobial stewardship; Most recent additions to the antimicrobial armamentarium

10:40 am - 11:40 am - Bariatrics

Bariatric Surgery and Co-Morbid Conditions Associated with Obesity

Who qualifies for obesity surgery; restrictive, malabsorptive and combination surgical options

11:40 am - 12:40 pm - Bariatrics

Surgical Management of Obesity

An overview of risks and effectiveness of bariatric surgery; overview of potential surgical options; potential complications

12:40 pm

Session Adjourns

Sunday, April 21, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Bariatrics

Patient Management Post-bariatric Surgery

The role of the clinician for support and behavior modification, nutrition, and the stages of patient management post-surgery

8:30 am - 9:30 am - Bariatrics

Guiding Patients Toward Bariatric Surgical Options

Discussion of the differences in treating obesity from other medical problems and procedures; overcoming inherent prejudices and understanding the perspective of the patient; creating a physician/patient partnership

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Review epidemiology and microbiology of skin and soft tissue infections (SSTI)
- List common causative pathogens for various respiratory tract infections
- Evaluate the severity of diarrhea and evaluate the need for treatment
- List goals of an antimicrobial stewardship program and strategies for antimicrobial treatment
- Discuss how popular diets and nutritional science can lead to healthier lifestyles
- Describe options for personalizing a patient-specific nutrition plan to each patient
- List strategies to modify diet and behaviors in patients with a range of health issues
- Identify expectations for optimal nutrition across the patient's expected life span
- Identify co-morbid conditions associated with obesity
- List the advantages and disadvantages of the various surgical options in the management of obesity
- Describe the approach to patient management after bariatric surgery
- Describe the pathophysiology surrounding obesity and counsel patients on the various weight management strategies, including patient selection criteria for surgery

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported conflicts of interest are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in health care and not the business interest of a commercial interest.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Bariatrics/ID/Nutrition*, with a beginning date of April 19, 2024 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 3.5 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-24-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
