

**INTERNAL MEDICINE FOR PRIMARY CARE:
GYNECOLOGY/INFECTIOUS DISEASES/
PULMONOLOGY/RHEUMATOLOGY**

**Walt Disney World® Resort, FL - Disney's Yacht & Beach Club Resorts
June 9 - 13, 2024**

Sunday, June 9, 2024

2:30 pm

Registration

3:00 pm - 4:00 pm - Pulmonology

Asthma

The medical impact of asthma; fundamental role of inflammation, with possible scarring and irreversible loss of lung function; practical points of diagnosis; goal setting management based on levels of severity; risk factors for mortality and treatment in the acute setting; management options for the difficult to control asthmatic patient

4:00 pm - 5:00 pm - Pulmonology

Controversies in the Treatment of Common Respiratory Infections

Acute and chronic bronchitis; pneumonia (community versus hospital-acquired); role of the Pneumonia Severity Index score in determining indication for hospitalization; cost-effective use of antibiotics; clinical significance of drug resistance; guidelines for management

5:00 pm - 6:00 pm - Pulmonology

COPD

Definition; pathophysiology; early detection and intervention; risk reduction; management update including new modalities (including lung volume reduction surgery) and the role of inhaled corticosteroids and domiciliary oxygen

6:00 pm

Session Adjourns

Monday, June 10, 2024

7:00 am

Registration and Hot Breakfast

7:30 am - 8:30 am - Infectious Diseases

Skin & Soft Tissue Infections

Presentation on important skin and soft-tissue infections and their prompt recognition, emphasizing evaluation and management strategies

8:30 am - 9:30 am - Infectious Diseases

Respiratory Tract Infections

Discussion highlighting critical points regarding the diagnosis and management of pneumonia and bronchitis – with a focus on the impact of multidrug resistant pathogens

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Infectious Diseases

Gastrointestinal Infections & Clostridioides Difficile

Presentation on important enteric pathogens and their recognition, diagnosis and management; special emphasis on clostridioides difficile colitis and related updates from the ID and infection control literature

10:40 am - 11:40 am - Pulmonology

Lung Cancer Screening & Pulmonary Nodules

Appropriate use of the new lung cancer screening recommendations; Fleischner Society guidelines and American College of Chest Physician Lung Cancer guidelines; approach to definitive evaluation and management strategies

11:40 am - 12:40 pm - Pulmonology

Deep Vein Thrombosis & Pulmonary Embolism

Clinical presentation: The great masquerader; diagnostic controversies; acute treatment; chronic therapy and complications; ACCP Guidelines.

12:40 pm

Session Adjourns

Tuesday, June 11, 2024

7:00 am

Registration and Hot Breakfast

7:30 am - 8:30 am - Obstetrics

Preconception Counseling

Screening and evaluation prior to a planned pregnancy; Review of current recommendations for carrier testing and when to refer a patient for specialty evaluation prior to conception

8:30 am - 9:30 am - Obstetrics

Contraception: A Primary Care Review of Best Practice

Coverage of the effectiveness, side effects and non-contraceptive benefits of available contraceptive options in the U.S.; Discussion of contraceptive counseling that is patient-centric including communicating without coercion; Management strategies for medically complex contraceptive decisions (patients with a history of VTE, breast cancer, hypertension)

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Obstetrics

Obstetrical Complications

Review of pregnancy complications during all trimesters, focusing on those which may present to a primary care provider with specific complaints; Discussion of conditions which represent an obstetric emergency

10:40 am - 11:40 am - Infectious Diseases

Genitourinary Infections

Presentation on a relevant and clinically practical approach to the patient with genitourinary complaints focusing on the latest guidelines for the range of urinary tract infections and highlights of selected and important sexually-transmitted disease syndromes.

11:40 am - 12:40 pm - Infectious Diseases

Antimicrobial Stewardship and Multidrug Resistance

Definition of an antimicrobial stewardship program (ASP); Concepts of the antimicrobial stewardship program; Four goals of antimicrobial stewardship; Most recent additions to the antimicrobial armamentarium

12:40 pm

Session Adjourns

Wednesday, June 12, 2024

7:00 am

Registration and Continental Breakfast

7:30 am - 8:30 am - Rheumatology

Update in Pharmacology for Arthritis

Review risks and benefits of traditional NSAIDs and cox-2 inhibitors; Analgesics (narcotics and tramadol), acetaminophen, conventional-synthetic DMARDs, and bDMARDs

8:30 am - 9:30 am - Rheumatology

Osteoarthritis

Pathogenesis, diagnosis and treatment

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Rheumatology

Differential Diagnosis of Inflammatory Arthritis

Clinical presentation and laboratory work-up and treatment for rheumatoid arthritis, systemic lupus erythematosus, spondyloarthropathies (SPA), infectious arthritis and systemic sclerosis; Treatment of RA with DMARDs; Treatment principles of SLE, Sjogren's, SPA and PMR

10:40 am - 11:40 am - Obstetrics

Treating Psychiatric Disorders in Pregnancy; Postpartum Psychiatric Disorders

Epidemiology of mood disorders in pregnancy; treatment of major depression during pregnancy; use of psychotropics in pregnancy; treatment of postpartum mood disorders; psychotropics and lactation; non-hormonal treatment of vasomotor instability

11:40 am - 12:40 pm - Obstetrics

Substance Use Disorders in Pregnancy

Discuss marijuana and opioid use in pregnancy; Discuss risks of in-utero exposure to these drugs in pregnancy; Understand recommendations for opioid assisted treatment in pregnancy

12:40 pm

Session Adjourns

Thursday, June 13, 2024

7:00 am

Registration and Continental Breakfast

7:30 am - 8:30 am - Rheumatology

Osteoporosis

Review the epidemiology and pathophysiology of osteoporosis along with interpretation of DEXA scans and FRAX risk assessment; up-to-date therapeutic options

8:30 am - 9:30 am - Rheumatology

Crystal Disease: Gout & Pseudogout

Properly diagnosing and treating crystal diseases such as gout and pseudogout

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Diagnose and manage patients with asthma
- Design treatment strategies reflective of current evidence-based medicine for common respiratory infections
- Describe the current therapeutic management of COPD
- Discuss diagnosis and screening strategies as well as treatment plans for lung nodules and lung cancer
- Diagnose deep vein thrombosis and pulmonary embolism and discuss appropriate therapeutic options
- Review epidemiology and microbiology of skin and soft tissue infections (SSTI)
- List common causative pathogens for various respiratory tract infections
- Evaluate the severity of diarrhea and evaluate the need for treatment
- Diagnose and manage genitourinary infections
- List goals of an antimicrobial stewardship program and strategies for antimicrobial treatment
- Identify preconception interventions that can enhance pregnancy outcomes
- Describe strategies for discussing complex contraceptive options with patients
- Discuss pregnancy related complications of each trimester of pregnancy
- Describe the pros and cons of available pharmacologic treatment options for major depression during pregnancy
- Discuss risks and treatment options for in-utero risks of substance use in pregnancy
- Review the risks and benefits of the treatment options for arthritis (non-selective NSAIDs, cox-2 inhibitors, DMARDs, narcotics and tramadol)
- Utilize current evidence to design treatment strategies for osteoarthritis
- Describe the differential diagnoses of inflammatory arthritis based on clinical presentation and laboratory workup
- Identify the risks and benefits of utilizing bisphosphonates in the treatment of osteoporosis
- Diagnose and treat gout and pseudogout

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported conflicts of interest are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in health care and not the business interest of a commercial interest.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 20 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 20 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Gyn/ID/Pulm/Rheum*, with a beginning date of June 9, 2024 has been reviewed and is acceptable for up to 20 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 20 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 20 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1

credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 20 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6.0 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 20 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 20 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 20 contact hours (2.0 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-24-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
