Palliative Care for the PCP: Symptom Management

Symptom management; Symptom management of dyspnea and cough, pain, nausea and vomiting, constipation, and agitation, at the end of life

12:40 pm

Session Adjourns

Saturday, December 16, 2023

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Palliative

Prognostication for the PCP

Estimating life expectancy for patients with life-limiting illnesses such as CHF, Alzheimer's dementia, Parkinson's disease, end stage renal disease

8:30 am - 9:30 am - Palliative

Addressing Goals of Care

Definition of POA, DNR, DNI, DNH, MOLST, POLST; Techniques on how to address goals of care, both in acute crisis as well as when the patient has chronic issues

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Addiction

Treatment of Alcohol Use Disorder in Primary Care

This talk will describe the scope of the problem of alcohol use disorder and its costs on the entire health care system and our patients' health, the co-morbidities associated with alcohol use disorder and treatments as well as medication assisted treatment for alcohol use disorder.

10:40 am - 11:40 am - Oncology

Approach to the Patient with Suspected Cancer

Symptoms, signs and diagnoses that raise the suspicion of cancer will be reviewed, and an approach to evaluating these patients will be presented

11:40 am - 12:40 pm - Oncology

Cancer Prevention

Cancer screening and clinical practices shown to prevent cancer will be reviewed

12:40 pm

Session Adjourns

Sunday, December 17, 2023

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Oncology

Management of Cancer Survivors

Medical issues related to cancer survivorship and approaches to surveillance for cancer recurrence will be reviewed

8:30 am - 9:30 am - Oncology

A Primary Care Review of New Antiplatelet Agents

Mechanisms of action, clinical indications, effectiveness, safety and peri-procedure management of current antiplatelet agents will be reviewed

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Describe strategies for identifying and treating substance use disorders
- Review the effects of addictive drugs including hallucinogens, stimulants, inhalants, sedatives, tobacco and alcohol
- Identify therapies, including nonpharmacological pain treatment strategies, that can reduce the dose of opioids to control pain
- Develop a treatment plan for Alcohol Use Disorder
- Describe how to maximize hospice care for all patients
- Describe the primary care approach to palliative medicine including symptom management
- Recognize the importance of prognosis in decision making for seriously ill patients
- Define and establish goals of care with patients and their families
- Discuss the diagnostic approach to the patient with suspected cancer
- Identify clinical practices shown to prevent cancer
- Evaluate and manage risks of the cancer survivor
- Describe the mechanism of action of new antiplatelet agents

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported conflicts of interest are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in health care and not the business interest of a commercial interest.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Addiction/Onc/Palliative*, with a beginning date of December 15, 2023 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 5.0 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-23-121-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
