

## **DERMATOLOGY FOR PRIMARY CARE**

**- Viewline Resort Snowmass  
February 9 - 11, 2024**

**Friday, February 9, 2024**

**7:00 am**

**Registration and Breakfast**

**7:30 am - 8:30 am - Dermatology - 1**

**Dermatitis**

Overview of the causes and forms of skin irritants; Contact, atopic, irritant, nummular, seborrheic and exfoliative; Treatment of blistering, oozing, crusting and flaking; Diagnostic principles and management strategies

**8:30 am - 9:30 am - Dermatology - 1**

**Papulosquamous Diseases**

Diagnostic principles of skin lesions consisting of red or purple papules; Psoriasis, lichen planus, pityriasis rosea, lupus erythematosus; Discussion of how to tell one scaly rash from another

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Dermatology - 1**

**Viral Infections of the Skin**

Proper diagnosis and differences in viral skin presentation; Herpes simplex, varicella-zoster, viral exanthems; Molluscum and warts; Treating lasting post-herpetic neuralgia; Symptom management and referral to dermatology

**10:40 am - 11:40 am - Dermatology - 2**

**Bacterial Infections of the Skin**

Impetigo, ecthyma, folliculitis, furunculosis, necrotizing fasciitis, Lyme disease, syphilis; diagnosis and management; Guidelines for antibiotic treatment; Management of special populations

**11:40 am - 12:40 pm - Dermatology - 2**

**Skin Manifestations of Systemic Disease**

Skin will often reflect signs of systemic diseases, be useful for diagnosis, or suffer from a complication of disease or its treatment; Diagnosis of rheumatologic, endocrine, gastrointestinal, and psychologic conditions based on cutaneous findings

**12:40 pm**

**Session Adjourns**

**Saturday, February 10, 2024**

**7:00 am**

**Registration and Breakfast**

**7:30 am - 8:30 am - Dermatology - 2**

**Cutaneous Drug Eruptions**

Diagnosis and treatment of common and distinctive drug eruptions, including: urticaria, morbilliform eruptions, drug hypersensitivity syndrome (DRESS), erythema multiforme, erythema nodosum, bullous dru, photo-allergic, photo-toxic, dermatitic, fixed drug eruptions, Steven Johnson Syndrome & TEN, other unique drug eruptions

**8:30 am - 9:30 am - Dermatology - 2**

**Acne and Acneiform Eruptions**

Identification of noninflammatory open or closed comedones and inflammatory lesions; Determination of treatment therapies based on acne grading scale; Bacterial folliculitis, drug-induced acne, hidradenitis suppurativa, miliaria, perioral dermatitis, pseudofolliculitis barbae, rosacea, seborrheic dermatitis; Topical and systemic therapy

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Dermatology - 1**

**Fungal Infections of the Skin**

Dermatophytes, tinea versicolor, candidiasis; Selected deep fungal infections; Onycholysis; Drug induced nail changes; paronychia, koilonychia, nail discolorations, tumors of the nail; Fungal infections diagnosis and management; Overview and comparison of antifungal treatment options

**10:40 am - 11:40 am - Dermatology - 3**

**Benign Skin Tumors**

Proper diagnosis and treatment of common benign tumors; Biopsies and histopathologic examination; Nevi, seborrheic keratosis keloids, hemangiomas and miscellaneous tumors; When to refer

**11:40 am - 12:40 pm - Dermatology - 3**

**Premalignant and Malignant Skin Tumors**

Recognition of precursors of malignancies; Excisional and punch biopsies; Actinic keratosis, Bowen's disease, squamous cell carcinoma, basal cell carcinoma, melanoma and other selected tumors; Risk reduction education

**12:40 pm**

**Session Adjourns**

**Sunday, February 11, 2024**

**7:00 am**

**Registration and Breakfast**

**7:30 am - 8:30 am - Dermatology - 3**

**Skin Surgery for Primary Care**

Techniques and procedures to perform common dermatology procedures in the office setting; Biopsy techniques for shave, punch, and excision; Instruction and best practices for local anesthesia; Overview and proper setting for cryosurgery

**8:30 am - 9:30 am - Dermatology - 3**

**Dermatology Cases**

Challenging case presentations in dermatology

**9:30 am**

**Conference Adjourns**

### **Target Audience**

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

### **Learning Objectives**

Upon completion of this program, participants should be better able to:

- Differentiate between the presentations and causes of atopic, contact (irritant and allergic), and nummular dermatitis
- Discriminate the diagnostic principles and treatment options for papulosquamous diseases with red, raised bumps
- Discriminate between various viral skin infections and treatment strategies
- Compare the different treatment options for fungal skin infections and nail infections
- Perform a differential diagnosis of common bacterial skin infections and recommend appropriate treatment
- Identify cutaneous findings that serve as surrogates of internal diseases
- Recognize common and distinctive cutaneous drug eruptions
- Describe the step-wise approach for the diagnosis and treatment of acne and acneiform eruptions
- Differentiate benign and malignant skin tumors and employ appropriate interoffice procedures
- Detect pre-cancerous and cancerous skin lesions
- Review basic skin surgeries typically conducted in the primary care office
- Utilize case-based learning to develop treatment plans for dermatologic conditions

### **Disclosure of Conflicts of Interest**

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported conflicts of interest are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in health care and not the business interest of a commercial interest.

### **Disclaimer**

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

## Accreditation Statements

### Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

### Physician Credit Designation

#### AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### American Academy of Family Physicians (AAFP)

This Live activity, *Dermatology for Primary Care*, with a beginning date of February 9, 2024 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

### American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

### American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

### Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

### **Nursing Credit Designation**

#### **American Nurses Credentialing Center (ANCC)**

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 3.5 ANCC pharmacotherapeutic contact hours.

#### **American Academy of Nurse Practitioners (AANP)**

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

#### **California Board of Registered Nursing**

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

### **Physician Assistant Credit Designation**

#### **American Academy of Physician Assistants (AAPA)**

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

### **Pharmacy Accreditation**

#### **Accreditation Council for Pharmacy Education (ACPE)**

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-24-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
