INTERNAL MEDICINE FOR PRIMARY CARE: ADDICTION/GYNECOLOGY/PAIN MANAGEMENT

**Yosemite, CA - Tenaya Lodge at Yosemite
September 27 - 29, 2024**

Friday, September 27, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Addiction

Introduction to Addiction Medicine: Neurobiology and Identification

This module will introduce the disease model of addiction, its neurobiology, and some of the tools easily used in the primary care setting to identify who is at risk for addiction

8:30 am - 9:30 am - Addiction

Drugs: Review of Addictive Drugs and Their Effects

This module will review hallucinogens, stimulants, inhalants, sedatives, tobacco and alcohol

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Addiction

Timely Topics: Opioid Crisis and the Role of Cannabinoids

This module continues the discussion of addictive drugs but reviews the impact of opioids and cannabinoids more closely; The current status of the opioid crisis will be reviewed as well as the interface between addiction and chronic pain; The impact of cannabinoids in both the medical and recreational domains will be addressed

10:40 am - 11:40 am - Pain

Non-Opioid Pharmacologic Options in Pain Management

NSAID's, acetaminophen, topicals, injections, antidepressants, anticonvulsants, medical marijuana

11:40 am - 12:40 pm - Pain

Opioid Pharmacologic Options in Pain Management

Overall safety and efficacy, selecting and monitoring patients, pain contracts, regulatory issues

12:40 pm

Session Adjourns

Saturday, September 28, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Pain

Work-up of the Patient with Low Back Pain

Understanding the magnitude of the problem in the patient population; Review of anatomy; Classification of pain; Key elements of history and the clinical exam; Medications, manual therapies, injections, as well as psychological and other approaches to pain management

8:30 am - 9:30 am - Pain

Fibromyalgia

Differential diagnosis and treatment of this difficult-to-manage pain syndrome; Treatment options of anti-epileptics and SNRI's

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Addiction

Pharmacotherapy for Addictive Disorders: Role of Primary Care

This presentation will review the FDA approved medications for addiction treatment and examine the role of primary care with respect to each of them

10:40 am - 11:40 am - Gynecology

The New Annual Exam for Women

Best practices in offering annual pelvic examinations in asymptomatic non-pregnant women; Determination of who should be offered a clinical breast exam as a routine part of the annual women's health exam; The principal elements of the annual women's health visit: screening, vaccinations, evaluation of health risks and needs, counseling; Evidence-based tools to guide components of the annual women's health visit based on age and health needs

11:40 am - 12:40 pm - Gynecology

Contraception: A Primary Care Review of Best Practice

Coverage of the effectiveness, side effects and non-contraceptive benefits of available contraceptive options in the U.S.; Discussion of contraceptive counseling that is patient-centric including communicating without coercion; Management strategies for medically complex contraceptive decisions (patients with a history of VTE, breast cancer, hypertension)

12:40 pm

Session Adjourns

Sunday, September 29, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Gynecology

Abnormal Uterine Bleeding

Overview of normal/abnormal menstrual physiology/profile; Menstrual disturbances; Ovulatory and anovulatory uterine bleeding; Other menstrual abnormalities; Diagnosis and appropriate treatment options

8:30 am - 9:30 am - Gynecology

Cervical Cancer Screening Including HPV Management

Current recommendations for cervical cancer screening; incorporating the ASCCP consensus guidelines for management of cytologic cervical abnormalities (including ASCUS, LGSIL, HGSIL and atypical glandular cells) into practice; Algorithm for the appropriate use of HPV testing and managing results; Determining appropriate candidates for the use of the HPV vaccine

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Describe the neurobiology of addiction
- Review the effects of addictive drugs including hallucinogens, stimulants, inhalants, sedatives, tobacco and alcohol
- Describe the role of cannabinoids in the opioid crisis
- List FDA approved medications for addiction treatment and examine the role of each
- Design non-opioid pain management strategies
- Design opioid pain management strategies
- Discuss key concepts in the evaluation and treatment options of low back pain
- Compare the benefits and side effect profiles of pharmacologic treatment options for fibromyalgia
- Identify evidence-based tools to determine best practices in incorporating all necessary elements in the annual women's health visit
- Describe approaches to counseling patients for making complex contraceptive decisions
- Assess and manage abnormal uterine bleeding
- Describe the management of HPV infection and abnormal pap smear results

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported conflicts of interest are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in health care and not the business interest of a commercial interest.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

This Live activity, *Internal Medicine for Primary Care: Addiction/Gyn/Pain*, with a beginning date of September 27, 2024 has been reviewed and is acceptable for up to 12 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 5.5 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-24-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
