Best practices in offering annual pelvic examinations in asymptomatic non-pregnant women; Determination of who should be offered a clinical breast exam as a routine part of the annual women's health exam; The principal elements of the annual women's health visit: screening, vaccinations, evaluation of health risks and needs, counseling; Evidence-based tools to guide components of the annual women's health visit based on age and health needs

11:40 am - 12:40 pm - Gynecology

Abnormal Uterine Bleeding

Overview of normal/abnormal menstrual physiology/profile; Menstrual disturbances; Ovulatory and anovulatory uterine bleeding; Other menstrual abnormalities; Diagnosis and appropriate treatment options

12:40 pm

Session Adjourns

Saturday, July 6, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Gynecology

Menopause Transition and Hormone Replacement Therapy

Symptoms of menopause, including hot flashes, night sweats, and atrophy; Menopause syndromes, including osteoporosis, breast cancer, cardiac disease, and colon cancer; Estrogen analogs; Counseling patients in options and alternatives to hormone therapy; Designer estrogens; SERMs; HRTs; Discussion of risks and benefits, especially in breast cancer and CHD

8:30 am - 9:30 am - Gynecology

Breast Cancer Screening and Recent USPSTF Guidelines Update

Comparison of recent breast cancer screening recommendations from U.S. Preventive Services Task Force, ACOG/ACS/NCCN, including a discussion of risks and benefits of screening at various ages; Review of the new USPSTF guideline on BRCA-related cancer: risk assessment, genetic counseling, and genetic testing, including risk assessment tools for women with a personal or family history of breast, ovarian and related cancers

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Neurology

Headaches & Migraines

Basic headache mechanisms; headache history: characteristics, precipitating factors, medical conditions; migraine: common tension, classic, treatment, complicated, cluster, sinus; trigeminal neuralgia; Giant Cell Arteritis; brain tumor; subarachnoid hemorrhage; emergency room treatment

10:40 am - 11:40 am - Oncology

Cancer Prevention

Cancer screening and clinical practices shown to prevent cancer will be reviewed

11:40 am - 12:40 pm - Oncology

Approach to the Patient with Suspected Cancer

Symptoms, signs and diagnoses that raise the suspicion of cancer will be reviewed, and an approach to evaluating these patients will be presented

12:40 pm

Session Adjourns

Sunday, July 7, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Oncology

Management of Cancer Survivors

Medical issues related to cancer survivorship and approaches to surveillance for cancer recurrence will be reviewed

8:30 am - 9:30 am - Oncology

A Primary Care Review of New Oral Anticoagulants

Mechanisms of action, clinical indications, therapeutic indices, perioperative management and approaches to reversal of new anticoagulant and antiplatelet medications will be reviewed

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Perform a neurological exam
- Explain the differential diagnosis of seizures
- Compare the side effect and clinical pharmacology profiles of anti-epileptic drugs
- Describe the differential diagnosis of headaches and migraines
- Identify evidence-based tools to determine best practices in incorporating all necessary elements in the annual women's health visit
- Assess and manage abnormal uterine bleeding
- Discuss menopausal transition and the risks/benefits of treatment options
- Discuss the current evidence and recommendations regarding breast cancer screening
- Identify clinical practices shown to prevent cancer
- Discuss the diagnostic approach to the patient with suspected cancer
- Evaluate and manage risks of the cancer survivor
- Manage patients on new oral anticoagulants

Disclosure of Conflicts of Interest

Medical Education Resources ensures balance, independence, objective, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies relevant financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported relevant financial relationships are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis, MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

AAFP has reviewed Internal Medicine for Primary Care: Gyn/Neuro/Onc and deemed it acceptable for up to 12.00 Live AAFP Prescribed credits. Term of Approval is from 7/5/2024 to 7/7/2024. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 4.5 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-24-066-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
