

PRIMARY CARE CONFERENCES
EXCEPTIONAL CME | EXTRAORDINARY LOCATIONS

WWW.MER.ORG

**INTERNAL MEDICINE FOR PRIMARY CARE:
GERIATRICS/NEUROLOGY/PSYCHIATRY/
RHEUMATOLOGY**

**Walt Disney World® Resort, FL - Disney's Grand Floridian Resort & Spa
December 5 - 8, 2024**

Thursday, December 5, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - **Neurology**

Evaluating Weakness

Using the history and physical examination to distinguish weakness from non-specific symptoms; characteristics of neurological diseases that produce weakness; presentations of representative diseases of the nervous system

8:30 am - 9:30 am - **Neurology**

Diagnosis of Epilepsy, Paroxysmal Disorders, and Status Epilepticus

Types of paroxysmal disorders; diagnosis of seizures; seizures vs. epilepsy; classification of seizures and epileptic syndrome; initiation and discontinuation of drug therapy; therapeutic monitoring; intractable epilepsy

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - **Neurology**

Treatment of Epilepsy and Status Epilepticus

Treatment of epilepsies; goals of treatment; initiation and discontinuation of drug therapy; therapeutic monitoring; intractable epilepsy

10:40 am - 11:40 am - **Rheumatology**

Evaluating the Patient with Joint Pain

Differentiating between inflammatory and non-inflammatory joint pain; The utility of joint aspiration and lab work-up with interpretation of synovial fluid analysis; Differential diagnosis of joint pain and inflammatory arthritis

11:40 am - 12:40 pm - **Rheumatology**

Update in Pharmacology for Arthritis

Review risks and benefits of traditional NSAIDs and cox-2 inhibitors; Analgesics (narcotics and tramadol), acetaminophen, conventional-synthetic DMARDs, and bDMARDs

12:40 pm

Session Adjourns

Friday, December 6, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Rheumatology

Crystal Disease: Gout & Pseudogout

Properly diagnosing and treating crystal diseases such as gout and pseudogout

8:30 am - 9:30 am - Rheumatology

Osteoporosis

Review the epidemiology and pathophysiology of osteoporosis along with interpretation of DEXA scans and FRAX risk assessment; up-to-date therapeutic options

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Neurology

Headaches & Migraines

Basic headache mechanisms; headache history: characteristics, precipitating factors, medical conditions; migraine: common tension, classic, treatment, complicated, cluster, sinus; trigeminal neuralgia; Giant Cell Arteritis; brain tumor; subarachnoid hemorrhage; emergency room treatment

10:40 am - 11:40 am - Geriatrics

Approach to the Geriatric Patient

The demographics of aging and the physiologic changes in the elderly patient; Medication use in the elderly including changes in age-related pharmacokinetics and pharmacodynamics and medication adherence; Review of risky medications often used in elderly patients

11:40 am - 12:40 pm - Geriatrics

Alzheimer's & Other Dementias

Review of normal age-related changes in cognitive function as well as disorders of memory and cognition as part of dementing illness; Mental status exams, including their limitations in evaluating memory; Various types of dementia and the importance of an accurate diagnosis; Current treatment options for various kinds of dementia; Potentially reversible dementias; The responsibilities of healthcare providers in managing patients with dementia

12:40 pm

Session Adjourns

Saturday, December 7, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Geriatrics

Heart Failure in Older Adults

Recognition of the high mortality associated with heart failure; Understanding how to diagnose heart failure and the difference between reduced ejection fraction and preserved ejection fraction heart failure; Evidence based treatments available for heart failure

8:30 am - 9:30 am - Geriatrics

Urological Disorders in the Older Adult

Review of two very common conditions seen in the elderly population: benign prostatic hyperplasia (BPH), and urinary incontinence; Pathogenesis, clinical symptoms, recommended evaluation and management options for BPH; Review of the anatomy and mechanism of normal urinary function, causes of incontinence, the evaluation and management

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Psychiatry

Medical Evaluation of the Patient with Psychiatric Presentations

The signs and symptoms of psychiatric problems in a patient that presents in the primary care setting; Key elements of history and the clinical exam; Treatment options including cognitive behavioral therapy and medication use in the psychiatric patient; Tips on when to refer to psychiatry

10:40 am - 11:40 am - Psychiatry

Anxiety Disorders

The nature of anxiety; Generalized anxiety disorder, panic disorder, social anxiety disorder and post-traumatic stress disorder; etiology and diagnosis; Co-occurring conditions; Treatment options for these disabling conditions

11:40 am

Session Adjourns

Sunday, December 8, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Psychiatry

Depression and Suicide

Assessment of depressive symptoms in adults; Assessment and mitigation of suicide risk; Treatment of depression

8:30 am - 9:30 am - Psychiatry

Substance Use Disorders

Substance abuse history-taking to encourage patient honesty; Accurate diagnosis; Use of screening tools; Brief intervention; Recovery and treatment options; Motivational interviewing; Family symptoms and codependency

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Utilize history and physical examination to distinguish weakness from non-specific symptoms
- Explain the differential diagnosis of seizures
- Compare the side effect and clinical pharmacology profiles of anti-epileptic drugs
- Describe the differential diagnosis of headaches and migraines
- Compare and contrast inflammatory & non-inflammatory joint pain and their differential diagnoses
- Review the risks and benefits of the treatment options for arthritis (non-selective NSAIDs, cox-2 inhibitors, DMARDs, narcotics and tramadol)
- Diagnose and treat gout and pseudogout
- Identify the risks and benefits of utilizing bisphosphonates in the treatment of osteoporosis
- Utilize a comprehensive geriatric assessment to identify potential issues in the elderly patient
- Diagnose and treat cognitive impairment, dementias, and Alzheimer's disease
- Describe the assessment and management of heart failure in older adults
- Describe the primary care work-up of incontinence in older adults
- Utilize a comprehensive assessment to identify and diagnose patients with psychiatric presentations
- Review current evidence for the treatment of anxiety disorders
- Describe symptoms that move depression to plans for suicide
- Describe strategies for identifying and treating substance use disorders

Disclosure of Conflicts of Interest

Medical Education Resources ensures balance, independence, objective, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies relevant financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported relevant financial relationships are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis, MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 16 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 16 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

AAFP has reviewed Internal Medicine for Primary Care: Geri/Neuro/Psych/Rheum and deemed it acceptable for up to 16.00 Live AAFP Prescribed credits. Term of Approval is from 12/5/2024 to 12/8/2024. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 16 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 16 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 16 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6.5 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 16 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 16 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 16 contact hours (1.6 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-24-130-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
