ORTHOPEDIC MEDICINE FOR PRIMARY CARE: ORTHOPEDICS/PODIATRY/RHEUMATOLOGY

**San Diego, CA - Hotel del Coronado
December 13 - 15, 2024**

Friday, December 13, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Orthopedics

The Shoulder: Anatomy, Common Injuries, and Exam Techniques

Rotator cuff syndrome; impingement, frozen shoulder; subacromial bursitis; bicipital tendonitis; A-C joint disease

8:30 am - 9:30 am - Orthopedics

The Shoulder (Continued)

Anatomy, common injuries, and exam techniques continued

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Orthopedics

The Knee: Anatomy, Common Injuries, and Exam Techniques

ACL, meniscus, MRI; common sports injuries; osteoarthritis and hyaluronan; bursitis: prepatellar, pesanserine; baker's cyst; joint injection/X-ray interpretation; pediatrics

10:40 am - 11:40 am - Rheumatology

Evaluating the Patient with Joint Pain

Differentiating between inflammatory and non-inflammatory joint pain; The utility of joint aspiration and lab work-up with interpretation of synovial fluid analysis; Differential diagnosis of joint pain and inflammatory arthritis

11:40 am - 12:40 pm - Rheumatology

Update in Pharmacology for Arthritis

Review risks and benefits of traditional NSAIDs and cox-2 inhibitors; Analgesics (narcotics and tramadol), acetaminophen, conventional-synthetic DMARDs, and bDMARDs

12:40 pm

Session Adjourns

Saturday, December 14, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Rheumatology

Crystal Disease: Gout & Pseudogout

Properly diagnosing and treating crystal diseases such as gout and pseudogout

8:30 am - 9:30 am - Rheumatology

Spinal Pain

Differential diagnosis of lower back pain, epidemiology and treatment; OA, DISH, and ankylosing spondylitis (AS)

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Orthopedics

Hip and Thigh

Emphasizing the tools, physical diagnostic techniques and basic investigations available to the primary care practitioner, a practical approach to the undifferentiated hip problem will be reviewed. Diagnostic triage, historical clues and physical examination pearls pertaining to hip conditions will be covered, and evidence-based management

10:40 am - 11:40 am - Podiatry

Ankle Sprains

Session will explore those injuries which present to the primary care office that can easily be managed, those that require additional diagnostics, and the tricky injuries that may need referral.

11:40 am - 12:40 pm - Podiatry

Plantar Fasciitis

Session will discuss the causes and prevention of this common problem and discuss new and exciting technologies used to treat the acute and chronic forms of this condition.

12:40 pm

Session Adjourns

Sunday, December 15, 2024

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Podiatry

Achilles Tendinitis

The Achilles tendon is the largest and strongest tendon in the body, yet it is highly susceptible to injury. Achilles tendon injuries account for the third most common injury to the lower extremity after the ankle sprain and plantar fasciitis. This lecture will explore the causes of Achilles tendon conditions and their treatment. A differentiation between insertional and non-insertional tendonitis is critical for proper treatment. A multitude of new modalities which are available for the primary care provider to effectively treat and prevent Achilles tendon injuries will be discussed.

8:30 am - 9:30 am - Podiatry

Stress Fractures of the Foot and Ankle

So common, yet often missed or mistreated. Session will discuss causes and prevention, treatment, and evidence based medicine for foot and ankle stress fractures seen in the primary care setting.

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Diagnose and treat shoulder injuries
- Diagnose and treat shoulder injuries
- Describe the anatomy and function of the knee joint
- Diagnose and treat orthopedic problems in the hip, thigh, knee and shoulder
- Compare and contrast inflammatory & non-inflammatory joint pain and their differential diagnoses
- Review the risks and benefits of the treatment options for arthritis (non-selective NSAIDs, cox-2 inhibitors, DMARDs, narcotics and tramadol)
- Diagnose and treat gout and pseudogout
- Evaluate and treat spinal pain based on a sound differential diagnosis
- Diagnose and manage ankle injuries and identify when referral is appropriate
- Discuss technologies used to treat acute and chronic plantar fasciitis
- Recognize achilles tendinitis and recommend appropriate treatment
- Discuss causes, prevention and treatment of foot and ankle stress fractures

Disclosure of Conflicts of Interest

Medical Education Resources ensures balance, independence, objective, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies relevant financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported relevant financial relationships are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis, MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

AAFP has reviewed Orthopedic Medicine for Primary Care: Ortho/Pod/Rheum and deemed it acceptable for up to 12.00 Live AAFP Prescribed credits. Term of Approval is from 12/13/2024 to 12/15/2024. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 4.0 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-24-140-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
