

**INTERNAL MEDICINE FOR PRIMARY CARE:
CARDIOLOGY/DERMATOLOGY/MEN'S UROLOGY/
RHEUMATOLOGY**

**Prague, Czechia - Augustine, A Luxury Collection Hotel, Prague
August 4 - 7, 2025**

Monday, August 4, 2025

7:00 am

Registration

Rooms booked as part of the MER room block include breakfast in the hotel dining room. Participants booked outside of the MER room block, please make breakfast arrangements on your own.

7:30 am - 8:30 am - Cardiology

Acute Coronary Syndromes: The Patient with Acute Chest Pain

Diagnosis and initial evaluation in the primary care setting, urgent care clinic and emergency department; Initial workup, treatment, and follow-up; Diagnosing and treating ST segment elevation and non-ST segment elevation MIs; The role of drug therapy--primary vs adjunctive to PCI; Follow up after acute coronary syndromome

8:30 am - 9:30 am - Cardiology

Primary & Secondary Prevention of CAD

AHA/ACC and other lipid guidelines updates; HDL Cholesterol: The good cholesterol?; The role of triglycerides in ASCVD--who to treat; Metabolic syndrome and/or obesity; Who needs treatment and how much; The role of lifestyle changes, exercise and cardiac rehabilitation; The use of vitamin D and supplements for cardiology patients; Drug therapy updates

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Cardiology

Heart Failure

Etiologies and stages of heart failure; ACC/AHA Heart Failure guidelines; Heart failure with reduced EF (LVrEF) and heart failure with preserved EF (HFpEF); Determining patients for referral using biomarkers; Treatment options: ACE inhibitors, ARBs, beta blockers, mineralocorticoid receptor antagonists; The role of devices in treatment and Anticoagulation and antiplatelet drugs; Issues related to the hospitalized patient with acute decompensated heart failure

10:40 am - 11:40 am - Men's Urology

Male Hypogonadism and Impotence

Diagnosis of both primary and secondary hypogonadism in men; Advantages and disadvantages of all testosterone preparations; Effective testosterone replacement monitoring plans; Major risk factors for erectile dysfunction as well as first- and second-line therapy options; Proper treatment of Peyronie's Disease

11:40 am - 12:40 pm - Men's Urology

Sexually Transmitted Infections in Men

Presenting symptoms, lesions, latencies, diagnostic work-ups and therapies of the common sexually transmitted diseases

12:40 pm

Session Adjourns

Tuesday, August 5, 2025

7:00 am

Registration

Rooms booked as part of the MER room block include breakfast in the hotel dining room. Participants booked outside of the MER room block, please make breakfast arrangements on your own.

7:30 am - 8:30 am - Men's Urology

Benign Male Genitourinary Conditions

Appropriate primary medical management of lower urinary tract symptoms (LUTS) (also known as BPH) as well as identification of patients with complex or refractory cases that warrant referral; diagnosis and treatment of epididymitis, testicular pain, prostatitis and other benign findings

8:30 am - 9:30 am - Men's Urology

Male Malignancies (Prostate & Testicular)

Biology and treatment options using current medical technology of prostate cancer; evaluation and treatment of testicular cancer and long-term ramifications after cure

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Cardiology

Hypertension

The latest 2017 Multisociety Hypertension Guidelines; Updates after the guidelines; Approaches to treatment-thresholds and goals; Choices for initial and combination therapy; Resistant hypertension; Treating special populations: diabetics, the elderly, patients with renal failure

10:40 am - 11:40 am - Rheumatology

Differential Diagnosis of Inflammatory Arthritis

Clinical presentation and laboratory work-up and treatment for rheumatoid arthritis, systemic lupus erythematosus, spondyloarthropathies (SPA), infectious arthritis and systemic sclerosis; Treatment of RA with DMARDs; Treatment principles of SLE, Sjogren's, SPA and PMR

11:40 am - 12:40 pm - Rheumatology

Osteoarthritis

Pathogenesis, diagnosis and treatment

12:40 pm

Session Adjourns

Wednesday, August 6, 2025

7:00 am

Registration

Rooms booked as part of the MER room block include breakfast in the hotel dining room. Participants booked outside of the MER room block, please make breakfast arrangements on your own.

7:30 am - 8:30 am - Rheumatology

Crystal Disease: Gout & Pseudogout

Properly diagnosing and treating crystal diseases such as gout and pseudogout

8:30 am - 9:30 am - Rheumatology

Osteoporosis

Review the epidemiology and pathophysiology of osteoporosis along with interpretation of DEXA scans and FRAX risk assessment; up-to-date therapeutic options

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Dermatology

Benign Skin Tumors

Proper diagnosis and treatment of common benign tumors; Biopsies and histopathologic examination; Nevi, seborrheic keratosis keloids, hemangiomas and miscellaneous tumors; When to refer

10:40 am - 11:40 am - Dermatology

Premalignant and Malignant Skin Tumors

Recognition of precursors of malignancies; Excisional and punch biopsies; Actinic keratosis, Bowen's disease, squamous cell carcinoma, basal cell carcinoma, melanoma and other selected tumors; Risk reduction education

11:40 am

Session Adjourns

Thursday, August 7, 2025

7:00 am

Registration

Rooms booked as part of the MER room block include breakfast in the hotel dining room. Participants booked outside of the MER room block, please make breakfast arrangements on your own.

7:30 am - 8:30 am - Dermatology

Skin Manifestations of Systemic Disease

Skin will often reflect signs of systemic diseases, be useful for diagnosis, or suffer from a complication of disease or its treatment; Diagnosis of rheumatologic, endocrine, gastrointestinal, and psychologic conditions based on cutaneous findings

8:30 am - 9:30 am - Dermatology

Acne and Acneiform Eruptions

Identification of noninflammatory open or closed comedones and inflammatory lesions; Determination of treatment therapies based on acne grading scale; Bacterial folliculitis, drug-induced acne, hidradenitis suppurativa, miliaria, perioral dermatitis, pseudofolliculitis barbae, rosacea, seborrheic dermatitis; Topical and systemic therapy

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Describe current diagnostic approaches and the role of drug therapy to the patient with acute chest pain
- Implement lifestyle changes as well as lipid and cholesterol guidelines for the prevention of CAD
- Implement treatment strategies reflective of recent guidelines and current evidence based medicine for heart failure
- Explain current concepts in the diagnosis and treatment of hypertension
- Describe the pathophysiology of male hypogonadism
- Evaluate and manage sexually-transmitted infections in men
- Differentiate between benign prostate conditions and prostate cancers
- Discuss the biology and screening, and treatment options of prostate and testicular cancer
- Describe the differential diagnoses of inflammatory arthritis based on clinical presentation and laboratory workup
- Utilize current evidence to design treatment strategies for osteoarthritis
- Diagnose and treat gout and pseudogout
- Identify the risks and benefits of utilizing bisphosphonates in the treatment of osteoporosis
- Differentiate benign and malignant skin tumors and employ appropriate interoffice procedures
- Detect pre-cancerous and cancerous skin lesions
- Identify cutaneous findings that serve as surrogates of internal diseases
- Describe the step-wise approach for the diagnosis and treatment of acne and acneiform eruptions

Disclosure of Conflicts of Interest

Medical Education Resources ensures balance, independence, objective, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies relevant financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported relevant financial relationships are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis, MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 16 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 16 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

AAFP has reviewed Internal Medicine for Primary Care: Cardio/Derm/Men's Uro/Rheum and deemed it acceptable for up to 16.00 Live AAFP Prescribed credits. Term of Approval is from 8/4/2025 to 8/7/2025. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 16 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 16 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 16 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6.0 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 16 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 16 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 16 contact hours (1.6 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-25-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
