

**INTERNAL MEDICINE FOR PRIMARY CARE:
DERMATOLOGY/EMERGENCY MEDICINE/
INFECTIOUS DISEASE/PULMONOLOGY**

**Nassau, Bahamas - Atlantis Paradise Island Resort
March 6 - 9, 2025**

Thursday, March 6, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Dermatology

Dermatitis

Overview of the causes and forms of skin irritants; Contact, atopic, irritant, nummular, seborrheic and exfoliative; Treatment of blistering, oozing, crusting and flaking; Diagnostic principles and management strategies

8:30 am - 9:30 am - Dermatology

Papulosquamous Diseases

Diagnostic principles of skin lesions consisting of red or purple papules; Psoriasis, lichen planus, pityriasis rosea, lupus erythematosus; Discussion of how to tell one scaly rash from another

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Dermatology

Benign Skin Tumors

Proper diagnosis and treatment of common benign tumors; Biopsies and histopathologic examination; Nevi, seborrheic keratosis keloids, hemangiomas and miscellaneous tumors; When to refer

10:40 am - 11:40 am - Pulmonology

Asthma

The medical impact of asthma; fundamental role of inflammation, with possible scarring and irreversible loss of lung function; practical points of diagnosis; goal setting management based on levels of severity; risk factors for mortality and treatment in the acute setting; management options for the difficult to control asthmatic patient

11:40 am - 12:40 pm - Pulmonology

Controversies in the Treatment of Common Respiratory Infections

Acute and chronic bronchitis; pneumonia (community versus hospital-acquired); role of the Pneumonia Severity Index score in determining indication for hospitalization; cost-effective use of antibiotics; clinical significance of drug resistance; guidelines for management

12:40 pm

Session Adjourns

Friday, March 7, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Pulmonology

COPD

Definition; pathophysiology; early detection and intervention; risk reduction; management update including new modalities (including lung volume reduction surgery) and the role of inhaled corticosteroids and domiciliary oxygen

8:30 am - 9:30 am - Pulmonology

Lung Cancer Screening & Pulmonary Nodules

Appropriate use of the new lung cancer screening recommendations; Fleischner Society guidelines and American College of Chest Physician Lung Cancer guidelines; approach to definitive evaluation and management strategies

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Dermatology

Premalignant and Malignant Skin Tumors

Recognition of precursors of malignancies; Excisional and punch biopsies; Actinic keratosis, Bowen's disease, squamous cell carcinoma, basal cell carcinoma, melanoma and other selected tumors; Risk reduction education

10:40 am - 11:40 am - Infectious Diseases

Skin & Soft Tissue Infections

Presentation on important skin and soft-tissue infections and their prompt recognition, emphasizing evaluation and management strategies

11:40 am - 12:40 pm - Infectious Diseases

Immunizations

Presentation on key vaccine preventable diseases and their presentations with an emphasis on the latest recommendations including newest schedules, safety and efficacy information

12:40 pm

Session Adjourns

Saturday, March 8, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Infectious Diseases

Genitourinary Infections

Presentation on a relevant and clinically practical approach to the patient with genitourinary complaints focusing on the latest guidelines for the range of urinary tract infections and highlights of selected and important sexually-transmitted disease syndromes.

8:30 am - 9:30 am - Infectious Diseases

Gastrointestinal Infections & Clostridioides Difficile

Presentation on important enteric pathogens and their recognition, diagnosis and management; special emphasis on clostridioides difficile colitis and related updates from the ID and infection control literature

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Emergency Med

Approach to the Patient Who Becomes Unstable in the Office

Some patients come to the clinic and become unstable. What needs to be done prior to arrival of the ambulance. This course discusses the evaluation and treatment of unstable patient, initial resuscitation and transfer process.

10:40 am - 11:40 am - Emergency Med

Common Office-Based Emergencies

Office-based evaluation of shortness of breath, chest pains, abdominal pain, syncope, seizure and endocrine related problems. Criteria for transfer to an emergency department will also be discussed.

11:40 am

Session Adjourns

Sunday, March 9, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Emergency Med

Psychiatric Emergencies in Primary Care

Most patients with a mental illness come to the office for evaluation and treatment of their complaint. This presentation will review those common psychiatric conditions including depression, anxiety, and substance use disorder. Suicide risk assessment is essential to this evaluation process.

8:30 am - 9:30 am - Emergency Med

Altered Mental Status

Patients present to the clinic with altered mental status. The challenge to these patients is to determine the cause of the altered mental status whether it is from medication, drugs, infection or an endocrine disorder. Headache and dizziness will also be covered in this presentation.

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Differentiate between the presentations and causes of atopic, contact (irritant and allergic), and nummular dermatitis
- Discriminate the diagnostic principles and treatment options for papulosquamous diseases with red, raised bumps
- Differentiate benign and malignant skin tumors and employ appropriate interoffice procedures
- Detect pre-cancerous and cancerous skin lesions
- Diagnose and manage patients with asthma
- Design treatment strategies reflective of current evidence-based medicine for common respiratory infections
- Describe the current therapeutic management of COPD
- Discuss diagnosis and screening strategies as well as treatment plans for lung nodules and lung cancer
- Review epidemiology and microbiology of skin and soft tissue infections (SSTI)
- Recommend appropriate immunizations based on patient specific risk factors
- Diagnose and manage genitourinary infections
- Evaluate the severity of diarrhea and evaluate the need for treatment
- Evaluate a patient who becomes unstable in the office and prepare for transport via ambulance
- Recognize when common complaints such as abdominal pain require urgent referral to the emergency department
- Discuss the importance of suicide risk assessment in patients presenting with psychiatric emergencies
- Determine the cause of the altered mental status

Disclosure of Conflicts of Interest

Medical Education Resources ensures balance, independence, objective, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies relevant financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported relevant financial relationships are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis, MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 16 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 16 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

AAFP has reviewed Internal Medicine for Primary Care: Derm/Emergency/ID/Pulm and deemed it acceptable for up to 16.00 Live AAFP Prescribed credits. Term of Approval is from 3/6/2025 to 3/9/2025. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 16 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 16 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 16 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6.0 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 16 contact hours.

Physician Assistant Credit Designation

American Academy of Physician Assistants (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 16 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 16 contact hours (1.6 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-25-018-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
