INTERNAL MEDICINE FOR PRIMARY CARE: ADDICTION/ENDOCRINOLOGY/GYNECOLOGY

**Rocky Mountain National Park, CO - Holiday Inn Estes Park
October 3 - 5, 2025**

Friday, October 3, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Endocrinology

Type 2 Diabetes Mellitus

Diagnosis and treatment; lessons from the DCCT; managing diabetic emergencies; screening; pre-diabetes

8:30 am - 9:30 am - Endocrinology

Insulin Therapy for Diabetes

Treating T2DM with insulin; T1DM

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Endocrinology

Osteoporosis

Review the epidemiology and pathophysiology of osteoporosis along with interpretation of DEXA scans and FRAX risk assessment; up-to-date therapeutic options

10:40 am - 11:40 am - Addiction

Introduction to Addiction Medicine: Neurobiology and Identification

This module will introduce the disease model of addiction, its neurobiology, and some of the tools easily used in the primary care setting to identify who is at risk for addiction

11:40 am - 12:40 pm - Addiction

Drugs: Review of Addictive Drugs and Their Effects

This module will review hallucinogens, stimulants, inhalants, sedatives, tobacco and alcohol

12:40 pm

Session Adjourns

Saturday, October 4, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Addiction

Substance Use Disorders: Screening & Identification for Primary Care Providers

Essential information and skills necessary for identifying substance use and addiction in the primary care setting; epidemiology, assessment and screening tools; practical steps for intervention

8:30 am - 9:30 am - Addiction

Timely Topics: Opioid Crisis and the Role of Cannabinoids

This module continues the discussion of addictive drugs but reviews the impact of opioids and cannabinoids more closely; The current status of the opioid crisis will be reviewed as well as the interface between addiction and chronic pain; The impact of cannabinoids in both the medical and recreational domains will be addressed

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Endocrinology

Disorders of Thyroid Function

Prevalence, diagnosis and treatment options of hypothyroidism and hyperthyroidism

10:40 am - 11:40 am - Gynecology

Abnormal Uterine Bleeding

Overview of normal/abnormal menstrual physiology/profile; Menstrual disturbances; Ovulatory and anovulatory uterine bleeding; Other menstrual abnormalities; Diagnosis and appropriate treatment options

11:40 am - 12:40 pm - Gynecology

Management of Abnormal Pap Smears

Current recommendations for cervical cancer screening; Incorporating the ASCCP consensus guidelines for management of cytologic cervical abnormalities (including ASCUS, LGSIL, HGSIL and atypical glandular cells) into practice; Algorithm for the appropriate use of HPV testing

12:40 pm

Session Adjourns

Sunday, October 5, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Gynecology

Menopause Transition and Hormone Replacement Therapy

Symptoms of menopause, including hot flashes, night sweats, and atrophy; Menopause syndromes, including osteoporosis, breast cancer, cardiac disease, and colon cancer; Estrogen analogs; Counseling patients in options and alternatives to hormone therapy; Designer estrogens; SERMs; HRTs; Discussion of risks and benefits, especially in breast cancer and CHD

8:30 am - 9:30 am - Gynecology

Breast Cancer Screening

Comparison of recent breast cancer screening recommendations from U.S. Preventive Services Task Force, ACOG/ACS/NCCN, including a discussion of risks and benefits of screening at various ages; Review of the new USPSTF guideline on BRCA-related cancer: risk assessment, genetic counseling, and genetic testing, including risk assessment tools for women with a personal or family history of breast, ovarian and related cancers

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Develop patient-specific treatment plans for the management of type 2 diabetes
- Diagnose and tailor treatment strategies for type 1 and type 2 diabetes
- Identify the risks and benefits of utilizing bisphosphonates in the treatment of osteoporosis
- Identify the risks of abnormal thyroid function
- Describe the neurobiology of addiction
- Review the effects of addictive drugs including hallucinogens, stimulants, inhalants, sedatives, tobacco and alcohol
- Describe strategies for identifying and treating substance use disorders
- Describe the role of cannabinoids in the opioid crisis
- Assess and manage abnormal uterine bleeding
- Describe the management of HPV infection and abnormal pap smear results
- Discuss menopausal transition and the risks/benefits of treatment options
- Discuss the current evidence and recommendations regarding breast cancer screening

Disclosure of Relevant Financial Relationships

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. All relevant financial relationships have been mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis, MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The American Academy of Family Physicians (AAFP) and the College of Family Physicians of Canada (CFPC) have a bilateral reciprocal certification agreement whereby: CME/CPD activities held across the Canada - U.S. border are certified according to the nationality of the primary target audiences regardless of where the providers are located. The activities will be reviewed according to the criteria of the certifying organization.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 5.5 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Associates Credit Designation

American Academy of Physician Associates (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-25-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
