## **MEN'S & WOMEN'S HEALTH FOR PRIMARY CARE: GYNECOLOGY/MEN'S UROLOGY/PSYCHIATRY**

**Walt Disney World® Resort, FL - Disney's Grand Floridian Resort & Spa  
March 14 - 16, 2025**

Friday, March 14, 2025

**7:00 am**

**Registration and Breakfast**

**7:30 am - 8:30 am - Gynecology**

**Cervical Cancer Screening Including HPV Management**

Current recommendations for cervical cancer screening; incorporating the ASCCP consensus guidelines for management of cytologic cervical abnormalities (including ASCUS, LGSIL, HGSIL and atypical glandular cells) into practice; Algorithm for the appropriate use of HPV testing and managing results; Determining appropriate candidates for the use of the HPV vaccine

**8:30 am - 9:30 am - Gynecology**

**Menopause Transition and Hormone Replacement Therapy**

Symptoms of menopause, including hot flashes, night sweats, and atrophy; Menopause syndromes, including osteoporosis, breast cancer, cardiac disease, and colon cancer; Estrogen analogs; Counseling patients in options and alternatives to hormone therapy; Designer estrogens; SERMs; HRTs; Discussion of risks and benefits, especially in breast cancer and CHD

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Gynecology**

**Breast Cancer Screening**

Comparison of recent breast cancer screening recommendations from U.S. Preventive Services Task Force, ACOG/ACS/NCCN, including a discussion of risks and benefits of screening at various ages; Review of the new USPSTF guideline on BRCA-related cancer: risk assessment, genetic counseling, and genetic testing, including risk assessment tools for women with a personal or family history of breast, ovarian and related cancers

**10:40 am - 11:40 am - Psychiatry**

**Depressive Disorders**

History taking, diagnosis and treatment of depression across the lifespan; pharmacologic and non-pharmacologic treatment options; rational polypharmacy

**11:40 am - 12:40 pm - Psychiatry**

**Substance Use Disorders**

Substance abuse history-taking to encourage patient honesty; Accurate diagnosis; Use of screening tools; Brief intervention; Recovery and treatment options; Motivational interviewing; Family symptoms and codependency

**12:40 pm**

**Session Adjourns**

**Saturday, March 15, 2025**

**7:00 am**

**Registration and Breakfast**

**7:30 am - 8:30 am - Psychiatry**

**Anxiety Disorders**

The nature of anxiety; Generalized anxiety disorder, panic disorder, social anxiety disorder and post-traumatic stress disorder; etiology and diagnosis; Co-occurring conditions; Treatment options for these disabling conditions

**8:30 am - 9:30 am - Psychiatry**

**Suicide and Violence**

Risk assessment for suicide and violence; the relationship between psychotropic medications and suicide or violent behavior; management of the suicidal and violent patient

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Gynecology**

**Contraception: A Primary Care Review of Best Practice**

Coverage of the effectiveness, side effects and non-contraceptive benefits of available contraceptive options in the U.S.; Discussion of contraceptive counseling that is patient-centric including communicating without coercion; Management strategies for medically complex contraceptive decisions (patients with a history of VTE, breast cancer, hypertension)

**10:40 am - 11:40 am - Men's Urology**

**Androgen Replacement and Sexual Function**

Treatment algorithm and safety profiles for the treatment of erectile dysfunction; testosterone supplementation for the treatment of ED or hypogonadism

**11:40 am - 12:40 pm - Men's Urology**

**Prostate Cancer Screening and Treatment**

Review and clarification of the often confusing and political literature regarding prostate cancer screening, risks, and benefits of screening for prostate cancer and strategies for decreasing the risk of over treatment

**12:40 pm**

**Session Adjourns**

**Sunday, March 16, 2025**

**7:00 am**

**Registration and Breakfast**

**7:30 am - 8:30 am - Men's Urology**

**Male Malignancies (Prostate & Testicular)**

Biology and treatment options using current medical technology of prostate cancer; evaluation and treatment of testicular cancer and long-term ramifications after cure

**8:30 am - 9:30 am - Men's Urology**

**Sexually Transmitted Infections in Men**

Presenting symptoms, lesions, latencies, diagnostic work-ups and therapies of the common sexually transmitted diseases

**9:30 am**

**Conference Adjourns**

### **Target Audience**

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

### **Learning Objectives**

Upon completion of this program, participants should be better able to:

- Describe the management of HPV infection and abnormal pap smear results
- Discuss menopausal transition and the risks/benefits of treatment options
- Discuss the current evidence and recommendations regarding breast cancer screening
- Describe approaches to counseling patients for making complex contraceptive decisions
- Recommend appropriate pharmacologic and non-pharmacologic treatment for depression
- Describe strategies for identifying and treating substance use disorders
- Review current evidence for the treatment of anxiety disorders
- Assess patients at risk for suicide and violence and intervene to make timely referrals to combat hopelessness
- Discuss medical management of male sexual health
- Discuss the biology, screening, and treatment options of prostate cancer
- Discuss the biology and screening, and treatment options of prostate and testicular cancer
- Evaluate and manage sexually-transmitted infections in men

### **Disclosure of Relevant Financial Relationships**

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. All relevant financial relationships have been mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis, MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

### **Disclaimer**

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

## Accreditation Statements

### Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

### Physician Credit Designation

#### AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### American Academy of Family Physicians (AAFP)

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

### American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

### American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

### Canadian Physicians

The American Academy of Family Physicians (AAFP) and the College of Family Physicians of Canada (CFPC) have a bilateral reciprocal certification agreement whereby: CME/CPD activities held across the Canada - U.S. border are certified according to the nationality of the primary target audiences regardless of where the providers are located. The activities will be reviewed according to the criteria of the certifying organization.

### **Nursing Credit Designation**

#### **American Nurses Credentialing Center (ANCC)**

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 5.5 ANCC pharmacotherapeutic contact hours.

#### **American Academy of Nurse Practitioners (AANP)**

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

#### **California Board of Registered Nursing**

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

### **Physician Associates Credit Designation**

#### **American Academy of Physician Associates (AAPA)**

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

### **Pharmacy Accreditation**

#### **Accreditation Council for Pharmacy Education (ACPE)**

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-25-024-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
