GERIATRIC MEDICINE FOR PRIMARY CARE: CARDIOLOGY/GERIATRICS/VASCULAR MEDICINE

**Las Vegas, NV - Caesars Palace Las Vegas
March 14 - 16, 2025**

Friday, March 14, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Geriatrics

Approach to the Geriatric Patient

The demographics of aging and the physiologic changes in the elderly patient; Medication use in the elderly including changes in age-related pharmacokinetics and pharmacodynamics and medication adherence; Review of risky medications often used in elderly patients

8:30 am - 9:30 am - Geriatrics

Alzheimer's & Other Dementias

Review of normal age-related changes in cognitive function as well as disorders of memory and cognition as part of dementing illness; Mental status exams, including their limitations in evaluating memory; Various types of dementia and the importance of an accurate diagnosis; Current treatment options for various kinds of dementia; Potentially reversible dementias; The responsibilities of healthcare providers in managing patients with dementia

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Geriatrics

Managing Behavior Problems in Dementia Patients

Review of common behavior disorders often seen in patients with dementia; Behavioral techniques which have shown to be effective in managing some of the behavior disorders in patients with Alzheimer's and other dementias, focusing on the management of these patients without the use of psychotropic medications; Examples of behavior disturbances along with the behavior management technique which was effective in managing the patient with the behavior problem; Review of the potential adverse effects of the psychotropic medications usually used to manage behavior

10:40 am - 11:40 am - Cardiology

Acute Coronary Syndromes: The Patient with Acute Chest Pain

Diagnosis and initial evaluation in the primary care setting, urgent care clinic and emergency department; Initial workup, treatment, and follow-up; Diagnosing and treating ST segment elevation and non-ST segment elevation MIs; The role of drug therapy--primary vs adjunctive to PCI; Follow up after acute coronary syndromome

11:40 am - 12:40 pm - Cardiology

Heart Failure Update with a Focus on the Elderly

Diagnostic and management challenges in the geriatric population, new therapies for systolic HF, home-based management, end-of-life care for a CHF patient

12:40 pm

Session Adjourns

Saturday, March 15, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Cardiology

Arrhythmia Management in the Geriatric Population

Types and symptoms of arrhythmias; approach to the patient; when to refer, when to admit; atrial fibrillation and anticoagulation issues; ventricular arrhythmias – when are they serious?

8:30 am - 9:30 am - Cardiology

Hypertension

The latest 2017 Multisociety Hypertension Guidelines; Updates after the guidelines; Approaches to treatment-thresholds and goals; Choices for initial and combination therapy; Resistant hypertension; Treating special populations: diabetics, the elderly, patients with renal failure

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Geriatrics

Urological Disorders in the Older Adult

Review of two very common conditions seen in the elderly population: benign prostatic hyperplasia (BPH), and urinary incontinence; Pathogenesis, clinical symptoms, recommended evaluation and management options for BPH; Review of the anatomy and mechanism of normal urinary function, causes of incontinence, the evaluation and management

10:40 am - 11:40 am - Vascular Medicine

Peripheral Vascular Disease and Medical Therapy

Defining the spectrum of maladies under the umbrella of Peripheral Vascular Disease including the pathophysiology of atherosclerosis and treatments highlighting lipid lowering agents and antiplatelet therapy

11:40 am - 12:40 pm - Vascular Medicine

Stroke: Initial Presentation to Medical and Surgical Treatment

An overview of embolic stroke including diagnosis and medical, surgical, and interventional therapy

12:40 pm

Session Adjourns

Sunday, March 16, 2025

7:00 am

Registration and Breakfast

7:30 am - 8:30 am - Vascular Medicine

Aortic and Peripheral Aneurysms

A guide for primary care outlining diagnosis, management, and therapeutic options

8:30 am - 9:30 am - Vascular Medicine

Management of Venous Thrombosis

A discussion focusing on the variety of venous thrombotic diagnoses and the multiple available treatment options

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Utilize a comprehensive geriatric assessment to identify potential issues in the elderly patient
- Diagnose and treat cognitive impairment, dementias, and Alzheimer's disease
- Discuss strategies for the management of difficult behaviors in patients with dementia without the use of psychotropic medications
- Describe the primary care work-up of incontinence in older adults
- Describe current diagnostic approaches and the role of drug therapy to the patient with acute chest pain
- Recognize and manage the unique challenges of the geriatric heart failure population
- List special considerations for treating arrhythmias in the geriatric population
- Explain current concepts in the diagnosis and treatment of hypertension
- Describe the spectrum of maladies included in peripheral vascular disease
- Discuss presentation and interventional treatment of stroke patients
- List current pharmacologic options for the management of aneurysms
- Describe the evaluation and treatment of venous thrombosis

Disclosure of Relevant Financial Relationships

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. All relevant financial relationships have been mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis, MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The American Academy of Family Physicians (AAFP) and the College of Family Physicians of Canada (CFPC) have a bilateral reciprocal certification agreement whereby: CME/CPD activities held across the Canada - U.S. border are certified according to the nationality of the primary target audiences regardless of where the providers are located. The activities will be reviewed according to the criteria of the certifying organization.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 5.0 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Associates Credit Designation

American Academy of Physician Associates (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-25-023-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
