**INTERNAL MEDICINE FOR PRIMARY CARE:
DERMATOLOGY/EMERGENCY MEDICINE/
ENDOCRINOLOGY**

**Las Vegas, NV - The Venetian Resort Las Vegas
November 24 - 26, 2025**

Monday, November 24, 2025

7:00 am

Check-In

7:30 am - 8:30 am - Endocrinology

Top Questions in the Evaluation and Management of Obesity

Diagnosis; etiology; complications; use of appetite suppressant medications; lifestyle modifications; when surgery should be performed

8:30 am - 9:30 am - Endocrinology

Top Questions in the Evaluation and Management of Hypothyroidism

Prevalence, diagnosis and treatment options of hypothyroidism

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Endocrinology

Top Questions in the Evaluation and Management of Osteoporosis

Review the epidemiology and pathophysiology of osteoporosis along with interpretation of DEXA scans and FRAX risk assessment; up-to-date therapeutic options

10:40 am - 11:40 am - Emergency Med

Approach to the Patient Who Becomes Unstable in the Office

Some patients come to the clinic and become unstable. What needs to be done prior to arrival of the ambulance. This course discusses the evaluation and treatment of unstable patient, initial resuscitation and transfer process.

11:40 am - 12:40 pm - Emergency Med

Common Office-Based Emergencies

Office-based evaluation of shortness of breath, chest pains, abdominal pain, syncope, seizure and endocrine related problems. Criteria for transfer to an emergency department will also be discussed.

12:40 pm

Session Adjourns

Tuesday, November 25, 2025

7:00 am

Arrival

7:30 am - 8:30 am - Emergency Med

Psychiatric Emergencies in Primary Care

Most patients with a mental illness come to the office for evaluation and treatment of their complaint. This presentation will review those common psychiatric conditions including depression, anxiety, and substance use disorder. Suicide risk assessment is essential to this evaluation process.

8:30 am - 9:30 am - Emergency Med

Toxicology Emergencies Commonly Seen in the Office

Patients may walk into the clinic who have taken a toxic substance or drug overdose. It is important to do a detailed history, look for physical clues and determine if the patient has a toxidrome. The presentation will aid in determining who needs to go to emergency room and who can be treated in the office.

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Endocrinology

Top Questions in the Evaluation and Management of Thyroid Nodules and Thyroid Cancer
Diagnosis and treatment

10:40 am - 11:40 am - Dermatology

Dermatitis

Overview of the causes and forms of skin irritants; Contact, atopic, irritant, nummular, seborrheic and exfoliative; Treatment of blistering, oozing, crusting and flaking; Diagnostic principles and management strategies

11:40 am - 12:40 pm - Dermatology

Papulosquamous Diseases

Diagnostic principles of skin lesions consisting of red or purple papules; Psoriasis, lichen planus, pityriasis rosea, lupus erythematosus; Discussion of how to tell one scaly rash from another

12:40 pm

Session Adjourns

Wednesday, November 26, 2025

7:00 am

Arrival

7:30 am - 8:30 am - Dermatology

Benign Skin Tumors

Proper diagnosis and treatment of common benign tumors; Biopsies and histopathologic examination; Nevi, seborrheic keratosis keloids, hemangiomas and miscellaneous tumors; When to refer

8:30 am - 9:30 am - Dermatology

Premalignant and Malignant Skin Tumors

Recognition of precursors of malignancies; Excisional and punch biopsies; Actinic keratosis, Bowen's disease, squamous cell carcinoma, basal cell carcinoma, melanoma and other selected tumors; Risk reduction education

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Describe the pathophysiology surrounding obesity and the risks and benefits of the various weight management options
- Identify the risks of abnormal thyroid function
- Identify the risks and benefits of utilizing bisphosphonates in the treatment of osteoporosis
- Describe the diagnostic evaluation of thyroid nodules with a focus on the utilization of ultrasound and cytology
- Evaluate a patient who becomes unstable in the office and prepare for transport via ambulance
- Recognize when common complaints such as abdominal pain require urgent referral to the emergency department
- Discuss the importance of suicide risk assessment in patients presenting with psychiatric emergencies
- Utilize history and physical exam to determine if a patient has a toxidrome
- Differentiate between the presentations and causes of atopic, contact (irritant and allergic), and nummular dermatitis
- Discriminate the diagnostic principles and treatment options for papulosquamous diseases with red, raised bumps
- Differentiate benign and malignant skin tumors and employ appropriate interoffice procedures
- Detect pre-cancerous and cancerous skin lesions

Disclosure of Relevant Financial Relationships

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. All relevant financial relationships have been mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis, MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The American Academy of Family Physicians (AAFP) and the College of Family Physicians of Canada (CFPC) have a bilateral reciprocal certification agreement whereby: CME/CPD activities held across the Canada - U.S. border are certified according to the nationality of the primary target audiences regardless of where the providers are located. The activities will be reviewed according to the criteria of the certifying organization.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 5.0 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Associates Credit Designation

American Academy of Physician Associates (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-21-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
