INTERNAL MEDICINE FOR PRIMARY CARE: ENDOCRINOLOGY/ONCOLOGY/PULMONOLOGY

**Yellowstone, MT - Big Sky Resort
March 26 - 28, 2027**

Friday, March 26, 2027

7:00 am

Check-In and Breakfast

7:30 am - 8:30 am - Pulmonology

Asthma

The medical impact of asthma; fundamental role of inflammation, with possible scarring and irreversible loss of lung function; practical points of diagnosis; goal setting management based on levels of severity; risk factors for mortality and treatment in the acute setting; management options for the difficult to control asthmatic patient

8:30 am - 9:30 am - Pulmonology

Controversies in the Treatment of Common Respiratory Infections

Acute and chronic bronchitis; pneumonia (community versus hospital-acquired); role of the Pneumonia Severity Index score in determining indication for hospitalization; cost-effective use of antibiotics; clinical significance of drug resistance; guidelines for management

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Pulmonology

COPD

Definition; pathophysiology; early detection and intervention; risk reduction; management update including new modalities (including lung volume reduction surgery) and the role of inhaled corticosteroids and domiciliary oxygen

10:40 am - 11:40 am - Oncology

Cancer Prevention

Cancer screening and clinical practices shown to prevent cancer will be reviewed

11:40 am - 12:40 pm - Oncology

Approach to the Patient with Suspected Cancer

Symptoms, signs and diagnoses that raise the suspicion of cancer will be reviewed, and an approach to evaluating these patients will be presented

12:40 pm

Session Adjourns

Saturday, March 27, 2027

7:00 am

Arrival and Breakfast

7:30 am - 8:30 am - Oncology

Management of Cancer Survivors

Medical issues related to cancer survivorship and approaches to surveillance for cancer recurrence will be reviewed

8:30 am - 9:30 am - Oncology

A Primary Care Review of New Antiplatelet Agents

Mechanisms of action, clinical indications, effectiveness, safety and peri-procedure management of current antiplatelet agents will be reviewed

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Pulmonology

Lung Cancer Screening & Pulmonary Nodules

Appropriate use of the new lung cancer screening recommendations; Fleischner Society guidelines and American College of Chest Physician Lung Cancer guidelines; approach to definitive evaluation and management strategies

10:40 am - 11:40 am - Endocrinology

Insulin Therapy for Diabetes

Treating T2DM with insulin; T1DM

11:40 am - 12:40 pm - Endocrinology

Osteoporosis

Review the epidemiology and pathophysiology of osteoporosis along with interpretation of DEXA scans and FRAX risk assessment; up-to-date therapeutic options

12:40 pm

Session Adjourns

Sunday, March 28, 2027

7:00 am

Arrival and Breakfast

7:30 am - 8:30 am - Endocrinology

Disorders of Thyroid Function

Prevalence, diagnosis and treatment options of hypothyroidism and hyperthyroidism

8:30 am - 9:30 am - Endocrinology

Obesity Management

Diagnosis; etiology; complications; use of appetite suppressant medications; lifestyle modifications; when surgery should be performed

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Diagnose and manage patients with asthma
- Design treatment strategies reflective of current evidence-based medicine for common respiratory infections
- Describe the current therapeutic management of COPD
- Discuss diagnosis and screening strategies as well as treatment plans for lung nodules and lung cancer
- Identify clinical practices shown to prevent cancer
- Discuss the diagnostic approach to the patient with suspected cancer
- Evaluate and manage risks of the cancer survivor
- Describe the mechanism of action of new antiplatelet agents
- Diagnose and tailor treatment strategies for type 1 and type 2 diabetes
- Identify the risks and benefits of utilizing bisphosphonates in the treatment of osteoporosis
- Identify the risks of abnormal thyroid function
- Describe the pathophysiology surrounding obesity and the risks and benefits of the various weight management options

Disclosure of Relevant Financial Relationships

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. All relevant financial relationships have been mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

AAFP has reviewed Internal Medicine for Primary Care: Endo/Onc/Pulm and deemed it acceptable for up to 12.00 Live AAFP Prescribed credit(s). Term of approval is from 3/26/2027 to 3/28/2027. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The American Academy of Family Physicians (AAFP) and the College of Family Physicians of Canada (CFPC) have a bilateral reciprocal certification agreement whereby: CME/CPD activities held across the Canada - U.S. border are certified according to the nationality of the primary target audiences regardless of where the providers are located. The activities will be reviewed according to

the criteria of the certifying organization.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6.25 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Associates Credit Designation

American Academy of Physician Associates (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-21-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
