INTERNAL MEDICINE FOR PRIMARY CARE: CARDIOLOGY/DERMATOLOGY/PSYCHIATRY

**Palm Springs, CA - Grand Hyatt Indian Wells Resort & Villas
January 15 - 17, 2027**

Friday, January 15, 2027

7:00 am

Check-In and Breakfast

7:30 am - 8:30 am - Dermatology

Dermatitis

Discussion of the common subtypes of dermatitis; Recognition, diagnosis, and management considerations; Topics covered include atopic, contact, and seborrheic dermatitis, among others

8:30 am - 9:30 am - Dermatology

Papulosquamous Diseases

Diagnostic principles of skin lesions consisting of red or purple papules; Psoriasis, lichen planus, pityriasis rosea, lupus erythematosus; Discussion of how to tell one scaly rash from another

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Dermatology

Acne and Acneiform Eruptions

Discussion of acne, rosacea, and select follicular disorders; Determination of treatment therapies based on acne grading scale; Diagnosis and treatment approaches; Topical and systemic therapy

10:40 am - 11:40 am - Dermatology

Premalignant and Malignant Skin Tumors

Recognition of precursors of malignancies; Excisional and punch biopsies; Actinic keratosis, Bowen's disease, squamous cell carcinoma, basal cell carcinoma, melanoma and other selected tumors; Risk reduction education

11:40 am - 12:40 pm - Cardiology

Primary Prevention of Cardiometabolic CVD

Definitions; AHA/ACC and other lipid guidelines updates; HDL Cholesterol: The good cholesterol?; Metabolic syndrome and/or obesity; Who needs treatment and how much; The role of lifestyle changes, exercise and cardiac rehabilitation; Drug therapy updates; Risk calculation; Role of pooled equations for risk estimates

12:40 pm

Session Adjourns

Saturday, January 16, 2027

7:00 am

Arrival and Breakfast

7:30 am - 8:30 am - Cardiology

Type 2 Diabetes and Cardiovascular Disease

Epidemiology of risk for cardiovascular complications associated with type 2 diabetes; Review of the accumulated data with regard to the cardiovascular safety and efficacy of newer antihyperglycemic medications; Overview of most recent endocrinology and cardiology society recommendations and guidelines for their use

8:30 am - 9:30 am - Cardiology

Heart Failure

Etiologies and stages of heart failure; ACC/AHA Heart Failure Guidelines; Heart failure with reduced EF (HFrEF) and heart failure with preserved EF (HFpEF); Determining patients for referral using biomarkers, eg NT Pro BNP; Treatment options: ACE inhibitors, ARBs, ARNI, beta blockers, mineralocorticoid receptor antagonists, SGLT2i; The role of devices (ICD and/or CRT) in treatment and antiplatelet drugs; Issues related to the hospitalized patient with acute decompensated heart failure and readmissions

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Cardiology

Work-up of Patients with Suspected CAD

Risk factor evaluation and risk assessment models; 2021 ACC/AHA Chest Pain Guidelines; Test selection including ECG, echo, nuclear and newer imaging modalities (including discussion of appropriate use criteria--AUC); The usefulness of CT scanning; The role of bio markers and EBCT; Suspected CAD in special populations (women, diabetics, the elderly)

10:40 am - 11:40 am - Psychiatry

The Complexity of Adult ADHD

ADHD in adults with an emphasis on symptom identification; Co-occurring conditions; Psychiatric and medical differential diagnosis; evidence-based and FDA approved pharmacological treatments

11:40 am - 12:40 pm - Psychiatry

Anxiety Disorders

The nature of anxiety; Generalized anxiety disorder, panic disorder, social anxiety disorder and post-traumatic stress disorder; etiology and diagnosis; Co-occurring conditions; Treatment options for these disabling conditions

12:40 pm

Session Adjourns

Sunday, January 17, 2027

7:00 am

Arrival and Breakfast

7:30 am - 8:30 am - Psychiatry

Bipolar Spectrum Disorders

Bipolar spectrum disorders in adults as compared to youth; Comprehensive history-taking; Differential diagnosis; Co-occurring psychiatric and medical conditions; Phase specific treatment considerations and interventions

8:30 am - 9:30 am - Psychiatry

Depressive Disorders

History taking, diagnosis and treatment of depression across the lifespan; pharmacologic and non-pharmacologic treatment options; rational polypharmacy

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Differentiate between the presentations and causes of atopic, contact (irritant and allergic), and nummular dermatitis
- Discriminate the diagnostic principles and treatment options for papulosquamous diseases with red, raised bumps
- Describe the step-wise approach for the diagnosis and treatment of acne and acneiform eruptions
- Detect pre-cancerous and cancerous skin lesions
- Implement lifestyle changes as well as lipid and cholesterol guidelines for the prevention of CAD
- Identify and treat cardiovascular complications associated with T2DM
- Implement treatment strategies reflective of recent guidelines and current evidence based medicine for heart failure
- Describe the work-up, risk assessment and test selection of patients with suspected CAD
- Compare the benefits and side effect profiles of pharmacologic treatment options for ADHD
- Review current evidence for the treatment of anxiety disorders
- Discuss mood stabilizing psychosocial and pharmacologic treatments of bipolar disorder as well as frequent co-morbid psychiatric disorders
- Recommend appropriate pharmacologic and non-pharmacologic treatment for depression

Disclosure of Relevant Financial Relationships

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. All relevant financial relationships have been mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

AAFP has reviewed Internal Medicine for Primary Care: Cardio/Derm/Psych and deemed it acceptable for up to 12.00 Live AAFP Prescribed credit(s). Term of approval is from 01/15/2027 to 01/17/2027. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The American Academy of Family Physicians (AAFP) and the College of Family Physicians of Canada (CFPC) have a bilateral reciprocal certification agreement whereby: CME/CPD activities held across the Canada - U.S. border are certified according to the nationality of the primary target audiences regardless of where the providers are located. The activities will be reviewed according to

the criteria of the certifying organization.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Associates Credit Designation

American Academy of Physician Associates (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-27-001-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
