INTERNAL MEDICINE FOR PRIMARY CARE: DERMATOLOGY/GYNECOLOGY/NEUROLOGY

**Savannah, GA - JW Marriott Savannah Plant Riverside District
October 1 - 3, 2027**

Friday, October 1, 2027

7:00 am

Check-In and Breakfast

7:30 am - 8:30 am - Neurology

Evaluating Weakness

Using the history and physical examination to distinguish weakness from non-specific symptoms; characteristics of neurological diseases that produce weakness; presentations of representative diseases of the nervous system

8:30 am - 9:30 am - Neurology

Alzheimer's & Other Dementias

Review changes in cognition with normal aging; Behavioral changes that may precede early dementia; Screening tools for dementia; Characteristics of different dementia syndromes; Risks and benefits for treatment of Alzheimer Disease; Risk factors and causes of delirium, and how to reduce them; How to suspect and identify delirium; Management of the symptoms of delirium; Distinguishing delirium from dementia

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Neurology

Parkinson's Disease & Other Movement Disorders

Epidemiology; cardinal features; secondary features; pathology; neurochemistry; differential diagnosis; treatment; complication; other movement disorders; neuroleptic-induced movement disorders; chorea

10:40 am - 11:40 am - Dermatology

Dermatitis

Discussion of the common subtypes of dermatitis; Recognition, diagnosis, and management considerations; Topics covered include atopic, contact, and seborrheic dermatitis, among others

11:40 am - 12:40 pm - Dermatology

Papulosquamous Diseases

Diagnostic principles of skin lesions consisting of red or purple papules; Psoriasis, lichen planus, pityriasis rosea, lupus erythematosus; Discussion of how to tell one scaly rash from another

12:40 pm

Session Adjourns

Saturday, October 2, 2027

7:00 am

Arrival and Breakfast

7:30 am - 8:30 am - Dermatology

Acne and Acneiform Eruptions

Discussion of acne, rosacea, and select follicular disorders; Determination of treatment therapies based on acne grading scale; Diagnosis and treatment approaches; Topical and systemic therapy

8:30 am - 9:30 am - Dermatology

Skin Manifestations of Systemic Disease

Skin will often reflect signs of systemic diseases, be useful for diagnosis, or suffer from a complication of disease or its treatment; Diagnosis of rheumatologic, endocrine, gastrointestinal, and psychologic conditions based on cutaneous findings

9:30 am - 9:40 am

Coffee Break

9:40 am - 10:40 am - Neurology

Migraine Headaches

Diagnosis based on headache history; Classification and pathophysiology of migraine; Acute migraine treatment; Prophylaxis for recurrent migraine attacks; Chronic migraine, tension-type headaches, and cluster headaches; Trigeminal Neuralgia

10:40 am - 11:40 am - Gynecology

Annual Exam for Women

Best practices in offering annual pelvic examinations in asymptomatic non-pregnant women; Determination of who should be offered a clinical breast exam as a routine part of the annual women's health exam; The principal elements of the annual women's health visit: screening, vaccinations, evaluation of health risks and needs, counseling; Evidence-based tools to guide components of the annual women's health visit based on age and health needs

11:40 am - 12:40 pm - Gynecology

Abnormal Uterine Bleeding

Overview of normal/abnormal menstrual physiology/profile; Menstrual disturbances; Ovulatory and anovulatory uterine bleeding; Other menstrual abnormalities; Diagnosis and appropriate treatment options

12:40 pm

Session Adjourns

Sunday, October 3, 2027

7:00 am

Arrival and Breakfast

7:30 am - 8:30 am - Gynecology

Cervical Cancer Screening Including HPV Management

Current recommendations for cervical cancer screening; incorporating the ASCCP consensus guidelines for management of cytologic cervical abnormalities (including ASCUS, LGSIL, HGSIL and atypical glandular cells) into practice; Algorithm for the appropriate use of HPV testing and managing results; Determining appropriate candidates for the use of the HPV vaccine

8:30 am - 9:30 am - Gynecology

Menopause Transition and Hormone Replacement Therapy

Symptoms of menopause, including hot flashes, night sweats, and atrophy; Menopause syndromes, including osteoporosis, breast cancer, cardiac disease, and colon cancer; Estrogen analogs; Counseling patients in options and alternatives to hormone therapy; Designer estrogens; SERMs; HRTs; Discussion of risks and benefits, especially in breast cancer and CHD

9:30 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Utilize history and physical examination to distinguish weakness from non-specific symptoms
- Discuss evidence-based management options for Alzheimer's disease
- Evaluate weakness and recognize cardinal features of Parkinson's disease as well as other movement disorders
- Describe the differential diagnosis and treatment options for migraine headaches
- Differentiate between the presentations and causes of atopic, contact (irritant and allergic), and nummular dermatitis
- Discriminate the diagnostic principles and treatment options for papulosquamous diseases with red, raised bumps
- Describe the step-wise approach for the diagnosis and treatment of acne and acneiform eruptions
- Identify cutaneous findings that serve as surrogates of internal diseases
- Identify evidence-based tools to determine best practices in incorporating all necessary elements in the annual women's health visit
- Assess and manage abnormal uterine bleeding
- Describe the management of HPV infection and abnormal pap smear results
- Discuss menopausal transition and the risks/benefits of treatment options

Disclosure of Relevant Financial Relationships

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. All relevant financial relationships have been mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

Accreditation Statements

Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physician Credit Designation

AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Academy of Family Physicians (AAFP)

AAFP has reviewed Internal Medicine for Primary Care: Derm/Gyn/Neuro and deemed it acceptable for up to 12.00 Live AAFP Prescribed credit(s). Term of approval is from 10/1/2027 to 10/3/2027. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

Canadian Physicians

The American Academy of Family Physicians (AAFP) and the College of Family Physicians of Canada (CFPC) have a bilateral reciprocal certification agreement whereby: CME/CPD activities held across the Canada - U.S. border are certified according to the nationality of the primary target audiences regardless of where the providers are located. The activities will be reviewed according to

the criteria of the certifying organization.

Nursing Credit Designation

American Nurses Credentialing Center (ANCC)

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 6 ANCC pharmacotherapeutic contact hours.

American Academy of Nurse Practitioners (AANP)

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

California Board of Registered Nursing

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

Physician Associates Credit Designation

American Academy of Physician Associates (AAPA)

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacy Accreditation

Accreditation Council for Pharmacy Education (ACPE)

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-21-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
